To Kenai Peninsula School District Board;

I would like to thank the school board and district for giving me the opportunity to serve the students of West Homer Elementary that have IEPs. I have appreciated my time in the position of 5/6 resource teacher these last two years, however it is my time to move on. I am officially resigning from the position today (effective at the end of the 2017/2018 school year), in hopes that the position can be filled by an enthusiastic and qualified candidate sooner rather than later. I love my team here at West and, if given the chance, I would like to work within the building as a general education teacher again. My hope is that a position within the building will open up and I will have that opportunity next year.

Thank you again,

Dear Mr. Dusek, Dr. Ermold, and Members of the Kenai Peninsula Borough School District Board,

Please accept this letter as my resignation from my positions at Homer High School and Homer Middle School, as Band and AP Psychology teacher. My last day will be May 24, 2018.

I have greatly enjoyed my time at Homer High School and Homer Middle School, watching students grow through music during my nine years with the District. I am grateful to have been part of the communities of both of these schools, and should the right opportunity present itself, I would definitely consider returning to the District.

Thank you for all of the different opportunities that have been provided during my time here at the District.

Dear Mr. Ambrosier

It is with great sadness that I write to inform you of my resignation, at the end of the 2017-18 school year, from the Kenai Peninsula Borough School District. For the past two years, I have been afforded many opportunities to grow in a variety of avenues, all of which have been extremely rewarding to me on both professional and personal levels.

Throughout my time with KPBSD, I have been able to further develop a deeper understanding of my personal teaching philosophy, obtain additional insights into the foundations of early childhood education, as well as design and implement elements of personalized learning. In addition, having had the opportunity to develop young minds within a play-based learning environment, I have greatly enjoyed the insights afforded to me from working closely with the youngest of learners.

Please accept my most sincere thanks for allowing me to be a part of such an amazing school district. The KPBSD region will undoubtedly hold a place in my heart forever! And as I have the highest regard for your professional outlooks and opinions, I would be delighted to look to you for guidance in my future endeavors.

Sincerely,

Dear Human Resources:

I would like to inform you that I will not be continuing my contract into the 2018-19 school year. Untimely family health issues are forcing a move back to Oregon to care for loved ones. The plan is to continue in my position through the end of the 2017-18 school year and make our transition in June. I have enjoyed the time I have worked with the students, faculty, and community in the KPBSD region. The support and professional development of this district have been greatly appreciated over our 5 years of being part of this family.

Dear Mr. Dusek,

Please accept my resignation from my position as a 3rd-6th grade Teacher at Fireweed Academy. My last day will be May 24, 2018. I will not be seeking to renew my contract for the 2018-2019 school year.

The past four years in the district have provided me with a very rewarding experience. My students have been a great pleasure to teach over the years. My administration – both Kiki Abrahamson and Todd Hindman – have been very supportive during my time in the school district. Likewise, I have learned so much from many of my fellow coworkers and the support staff.

My plan is to seek a teaching position in the lower 48 to be closer to family and grad school opportunities.

If I can be of any assistance to you during the remainder of my contract, please let me know.

Sincerely yours,
