1. The District welcomes the use of the school theater and auditorium facilities for presentation of performances for community enjoyment with the understanding that school functions have first call upon facilities.
2. An E 1330a Room/Building Use Application must be approved by the building administrator and the theater manager/technician prior to use.
3. An annual schedule of theater events will be made in September for the following upcoming school year. An application is not final until all paperwork is processed; this process can take up to 30 days. Permits are issued on a first come, first served basis.
4. No person shall use theater equipment without authorization and only trained personnel shall operate theater equipment. Special lighting or sound equipment requests shall be identified on the application when submitted. Unforeseen needs may be accommodated with theater manager/technician approval.
5. It is forbidden to change, cut, knock out, remove, or in any way alter or modify the basic building structure including the stage floor, proscenium, apron, ramp, doors and walls without the theater manager/technician permission. This includes curtains and valance, teasers, stage microphone pickup, doorbell, piping for mounting stage lights, fire extinguishers, work lights, curtain rods, pulley and rope, intercom system, or breezeway stair railing. No special wiring may be added or existing wiring removed, relocated, or modified for any special effects. This applies to any and all wiring on stage, in the light booth, or other locations within the building complex.
6. Use of school facilities permits shall be limited to the theater/auditorium dressing room on the dates and times requested. All user groups are subject to the rules as outlined by the E 1330a Room/Building Use Application.
