Dear Mr. Stevenson,

After much careful consideration, I have decided to temporarily stop working full-time, in order to best support my newborn son. I would like to inform you that I am resigning from my position as Title I Teacher. Please accept my resignation effective May 24, 2018.

It has been a pleasure working with you and being part of the Soldotna Elementary School team for the past two years. I'm very grateful to have been able to grow here as a teacher in Alaska. Mr. Vaughn Dosko, Principal

Kenai Middle School
201 N. Tinker Lane
Kenai, AK 99611

Dear Vaughn:

I have truly appreciated the opportunity to be part of an amazing staff this year at Kenai Middle School. The administrators and teachers, support staff and volunteers offer a caring learning environment for students. Directing a mature and vibrant middle school choral program was a joy.

Despite all the positive aspects of this school year, I will be unable to continue in the position. Due to the pull of an elderly parent's needs on the east coast, the uncertainty of the position due to budget, and particularly the stress and its effects on my well-being, I need to resign.

The Kenai choir program is remarkable in its maturity and quality. Every part of me hopes that the program will receive the district's full support. And that the best possible candidate will be found to continue the tradition of excellence so carefully built over these many years. It has been a great honor to hold the reins for the 2017-2018 school year.

All the Best,

Sue Downes-Borko

From: Susan Hawker, Special Education Teacher KSAS

Subject: Retirement/resignation

It has come to my attention that as a TRS Tier III employee it would be more advantageous for me to retire rather than take a leave of absence.

I am requesting that my leave of absence be changed to retirement/resignation effective the end of the 2017/2018 school year.

Thank you.

Sincerely,

Susan Hawker

Dear Mr. Dusek,

I am writing this letter to inform you that I am submitting my resignation from West Homer Elementary School as a 6th grade teacher. I will not be returning for the 2018-2019 school year.

I am resigning because there have been changes in the employment of my fiancé and we have determined that it would be best for our family if I move to be closer to his base. Please know that this has been a very difficult decision for me to make.

I have greatly enjoyed my time at West Homer Elementary School. I would like to thank the administration and staff at WHES for the support that they have given me throughout my time there. I have much enjoyed working as a part of this team, and I appreciate the opportunities that I have had for personal and professional development.

Thank you for the opportunity to work in such a wonderful place! I will never forget my time at West Homer and will always look back with fond memories. If there is any way that I can assist with the transition, I would be more than happy to help!

Sincerely,
