

DISTRICT COMPARABLES - SCHOOL DISTRICTS POOL USE

DISTRICT	POOL OPERATION	USE FEES	OPERATIONAL COSTS
Anchorage School District	Pools owned by municipality and operated by Parks and Recreation.	School District pays municipality at a negotiated rate for any school use.	Utilities metered separately and all costs for operation and maintenance covered by the municipality.
Fairbanks School District	Pools owned and operated by the Borough.	School district pays only custodial expenses for school year and summer swim meet days.	Utilities metered separately and all costs for operation and maintenance except school use custodial costs covered by the borough.
Juneau School District	Both pools operated by CBJ (municipality). One of the two pools has joint ownership with school district per DEED bonding requirements.	School district uses pool at no cost in exchange for school district providing public swimming lessons.	Pools are separate complexes with separate metering. All costs for operation and maintenance by the municipality.
Mat-Su School District	Pools owned and operated by the Borough.	School district pays utilities in exchange for free pool time for school needs.	Utilities by school district, and all other operating and maintenance costs by borough.
Kenai Peninsula Borough School District	Pools owned by Borough, and operated by school district.	Non-school uses require nominal payment.	All costs for pool operation and maintenance by school district.
