

To KPBSD Human Resources:

4/29/18

Thank you for the opportunity to teach for your district for the 2018-19 school year. My year at Ninilchik Elementary/High has been one of my most difficult but most enjoyable years of teaching. Regretfully, life has handed me a few curve balls and I am writing to resign at the end of this contract year. This was a very difficult decision, I have been proud to work for your district and have truly appreciated how well you have served my child as a student.

I truly hope that my path brings me back to the Peninsula at some time.

Sincerely,

Kimberly Ann Johnson
