HIGH SCHOOL GRADUATION REQUIREMENTS

BP 6146.1

The purpose of graduation requirements is to set guidelines that will insure that each high school graduate is exposed to the depth and variety of learning experiences necessary for present and future social and economic goals. Graduation requirements should be specific enough to direct students into major curricular areas and yet flexible enough to provide for individual student's abilities and needs. Completion of these requirements should be viewed as a minimal educational experience to be enriched through the selection of additional courses. KPBSD is committed to ensuring that all students graduate from high school ready for adult life, college and/or career.
