**Subject:** Testimony for KPB 1771: Mayor's Veto of Education Funding for FY19

Hello Johni...please forward to Assembly Members. Thanks!

Greetings Assembly Members,

I begin by thanking you all for your time and service as I know firsthand the time, effort and energy is colossal.

I simply want to urge you all to vote to override Mayor Charlie Pierce's veto to cut \$652,609 from the school district 2019 budget. It is my understanding that with this funding the school district could invest in our children's school safety/security measures as well as mental health counselors to help those who may need the extra support. As a parent of a 3rd grader and as an uncle to 6 other students in the school district, I know firsthand the importance of providing our schools the tools to best serve our kids and this of course requires adequate funding.

Beyond my own personal experience, We (my wife, myself, family, friends, acquaintances and total strangers) simply have to trust that you will always to what is in the best interest of every single child in our borough, especially for those children who do not have the ideal support system, home life or advocacy/voice at the political level. We simply cannot absorb these additional cuts especially for our most vulnerable population who today, need our help more than ever.

Again, I ask that you all vote to override the Mayor's last minute veto (KPB 1771) to install the \$652,609 back into FY19 budget for our school district.

Sincerely,

Mike Illg

Dear Assembly Member,

I urge you to vote to override the mayor's veto of education funding. There is no more important duty than ensuring adequate funding with which to teach the young.

Sincerely,
