# **School Annual Report to the Superintendent 2017-2018**

School Name: Cooper Landing

Principal: Doug Hayman

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

During the 2017-2018 school year, Cooper Landing School students experienced many successes and exciting opportunities. All of the students participated in the annual float and fish trip on the upper Kenai River; everyone caught many fish and a fun time was had by all. All of the students participated in 6 weeks of snowboarding or ski lessons at Alyeska in Girdwood, and students grade K-7 participated in a week of swimming lessons at Seward High School pool.

This year Cooper Landing School received an Excursion Grant from the Rasmussen Foundation. This grant made possible two field trips to Anchorage to see performances at the Alaska Junior Theatre. Students enjoyed Anatomy of the Piano and Step Afrika!

Cooper Landing School was very proud of our 5-6 and high school Battle of the Books teams. The Mighty Lynx 5-6 team, made up of one 5th grader and two 6th graders, took 2nd place in the district battle. The Dynamic Duo high school team, made up of one freshman and one 7th grader, took 1st place in the district battle and went on to place 7th in the state battle.

All students at Cooper Landing School participated in a community service project. Students K-9 helped with the community clean up, cleaning up litter in Helen Rhode Park and under the bridge at the end of Bean Creek Road.

Mr. Gossard secured an Access Grant through the Rasmuson Foundation and the State Council on the Arts. We had Brian Hutton, a theater artist from Anchorage, come to the school for a week and do workshops with all of the students, grade K-9. The students learned miming and improvisational skills. At the end of the week, parents were invited for a luncheon and a performance by the students. The program was a great success.

Cooper Landing School won the small school division and the overall grand prize in the Kenai Aluminum Can Round-Up through ReGroup. The school brought in over 1,400 pounds of aluminum cans and received a prize of \$736.

Several students this year received awards for academic achievements. Our 9th grade student received an award for perfect attendance, she also won the Science Student of the year award from Soldotna Prep and the 4.0 GPA certificate from Mr. Dusek. One Kindergarten student and one 6th grader received certificates for almost perfect attendance, missing only one day of school. And last, but not least, our Kindergarten, 1st, and 2nd grade students won certificates for 1st place in the Lexia Team Challenge.

# **School Annual Report to the Superintendent 2017-2018**

School Name: 68 Fireweed Academy

Principal: Todd Hindman

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

This year was a challenging year in a few ways, but overall it was a good year with many accomplishments and great opportunities for our students and their families. Here are some of the highlights of the year.

Stephanie Zuniga and Hannah Snow were both Nominated as BP Teachers of Excellence.

Fireweed Academy worked with Representative Paul Seaton's Office to get a Legislative Citation written for Bunnell Street Arts Center for their Artists in Schools Program. Rep. Seaton and I presented the citation to Asia Freeman and Adele Person at the Bunnell's member potluck on Friday, May 24, 2018.

Fireweed Academy hosted five Artists in Schools residencies, two silk painting projects, two acrylic painting projects and one storytelling project.

This year Fireweed partnered with HoWL (Homer Outdoor Wilderness Leadership) for our 6<sup>th</sup> grade trip. The five day camping trip across the bay was a great success. HoWL staff provided a variety of activities including wilderness survival skills, paddleboarding, and rock climbing. The third through fifth grade students participated in a three day trip to Kasitsna Bay Laboratory.

There were many school celebrations this year, that were well attended by students and their families: annual beginning of the year BBQ, Ellis Island Simulation, AIS gallery nights, promotion ceremonies, and an end of the year BBQ at Ageya Wilderness Center.

All staff members have participated in the Kagan Cooperative Learning 4/5 day workshops. One staff member is now a certified Kagan Coach. Fireweed Academy hosted a Kagan Win-Win Discipline two day workshop in August and included the staff of West Homer Elementary. Other professional development opportunities included a Socratic Seminar workshop provided by Altheneum out of Anchorage. Wise at Work provided a workshop called Neurobiology at Work.

Parent power was the name of the game at the beginning of the school year, when two new pieces of playground equipment was installed at Little Fireweed. Aproximatley, 15 parent volunteers and a small work crew from Gregoire Construction got the job done. Another improvement at Little Fireweed was complete a few weeks ago. The three classrooms previously did not have wall that went up to the ceiling, which meant that the building noise level was loud. Walls have been extended to the ceiling and doorways and doors have been installed which provides for a quite learning environment.

The school's Facebook page was revived after a year long hibernation. On average three to five photo albums were posted each week, allowing parents and other family members could see what the student were engage in at school.

# **School Annual Report to the Superintendent 2017-2018**

School Name: Homer Flex

Principal: Christopher Brown

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. # **School Annual Report to the Superintendent 2017-2018**

School Name: Hope

Principal: Doug Hayman

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

Hope School was reduced by one certified staff member but did hire a instructional aid for support.

Hope School is without doubt, the center of the Hope community. Events and fundraisers at the school are well supported. Parent Teacher conference attendance is 100%. Even though it is a very small school, students have opportunities in Battle of Books, Mind-a-Mazes, Quest, 4H, Spelling Bee, Jump Rope for Heart, Forensics, and Cross Country Skiing. Our junior student won the Mind-a-Mazes district contest again this year. This is the fourth time out of five opportunities he has won this honor. Staff have worked hard to create opportunities for collaboration with three other schools. Tustumena, Hope, Moose Pass, and Cooper Landing share professional development opportunities focused on Personalized Learning. The secretaries of Moose Pass, Cooper Landing, and Hope have created a shared electronic newsletter that connects and informs all of the communities. This newsletter has organically been labeled "The Tri-School Newsletter," and is accessed by up to 100 readers per week. This newsletter is linked to the Tustumena newsletter as well which is accessed by an additional 150 devices per week.

Fundraising is a challenge in such a small school but the spirit of the school staff makes events that are well supported. Flea markets and pie auctions are among the most common in Hope. Much of these funds go to sending students on field trips such as skiing and outdoor education sessions. In addition, a donations campaign was initiated to support a student to attend a State Government shadowing project. School staff attended as well a a chaperone.

Hope did not have any students graduate from the high school but several students were honored during a kindergarten and eighth grade graduation ceremony.

The 2018-19 school year will start with plenty of students but will be hiring a new secretary as our long-time secretary and community member decided she needed the opportunities that Anchorage could afford her family.

# **School Annual Report to the Superintendent 2017-2018**

School Name: K-Beach Elementary

Principal: Nate Crabtree

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

BP Teacher of the Year- Five teachers from K-Beach Elementary were nominated for this award.

BP Educational Ally- Aaron Gordon (Intensive Needs Aide) received the BP Educational Ally award for the 2017-2018 school year.

High Tunnel Project- K-Beach Elementary mended the vandalized greenhouse and began a gardening project this year. All grade levels planted vegetables of their choosing for harvest in the K-Beach greenhouse.

Sign Language Club- K-Beach Elementary continued sign language club that was launched in the 2017-2018 school year. Students of all grade levels were given skills to communicate with the hearing impaired.

Reading is Great in Summer (R.I.G.S)- Through community partnerships, school staff have promoted and fostered a love of reading during the summer months.

The Great Caribou Migration- All students and all staff, with the participating of many families and community members, participated in this event. This event promoted positive school and community relationships while encouraging healthy lifestyles.

K-Beach Chess Club Tournament- Many students in grades 3-6 participated in the third annual K-Beach Chess Club Tournament.

Junior Achievement- K-Beach continues to host various community members through JA in a Day. Each class of students had the opportunity to learn about economics and community during this event.

Forensics- Many K-Beach Elementary students placed with top honors at the district wide forensic competition.

Veteran's Day Assembly- K-Beach held the 18<sup>th</sup> Annual Veterans Day Assembly to honor veterans and those currently serving in the armed forces.

Battle of the Books- Many 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> graders participated in intermural Battle of the Books, and teams competed in the district competition.

Box Tops- Students and families collected approximately \$1000 worth of box tops that will benefit the school.

Leadership Program- Students in 5<sup>th</sup> and 6<sup>th</sup> grade were invited to participate in the K-Beach Elementary Leadership Program. Students worked in various committees including PBIS, School & Community Relations, and Events.

Masonic- Sixth grader, Hally Elder-Hanson earned the Masonic Student of the Year award for K-Beach Elementary.

Spelling Bee- Fifth grader, Delaney Smith competed in the State of Alaska Spelling Bee.

D.A.R.E- All 5<sup>th</sup> grade students of K-Beach Elementary partnered with Officer Brennan of the Soldotna Police Department to learn about positive and healthy decision making.

Jumprope for Heart- All students of K-Beach Elementary participated in Jumprope for Heart, sponsored by the American Heart Association. Students used this opportunity to raise money for the American Heart Association and to learn more about healthy lifestyles.

Band- Fourth, fifth, and sixth grade students were invited to participate in band this year. K-Beach hosted three band concerts throughout the school year.

Winter Concert- All primary aged students performed holiday music for family and community members in late December.

Orchestra Link-up- After learning to play the recorder, all third grade students were invited to play with the Kenai Peninsula Orchestra.

Film Club- Intermediate students worked to learn about filmmaking. Students worked on various crews to produce a short film that was shared with the entire school population.

Stream Keepers- All 5<sup>th</sup> grade students of K-Beach Elementary partnered with the Kenai Watershed Forum to care for the local Slikok Creek. With the help of community members and teachers, students worked to keep the stream healthy.

Intermural sports- K-Beach Elementary hosted various intramural sports including: soccer, volleyball, basketball, wrestling, and cycling.

PTO Events:

- Pumpkins in the Playground
- Bingo for Books
- Family Game Night

School Annual Report to the Supt.  
Page 3

- Multiple Book Fairs
- School Wide BBQ
- K-Beach Annual Art Show

- Vail Coots, 4<sup>th</sup> grader, out of state for treatment of brain cancer, stayed connected via use of video conferencing, blogging with class, and weekly reports that highlighted his integrated learning as he participated in class remotely and electronically
- Spencer Dahlman, 4<sup>th</sup> grader, 1 of 7 4<sup>th</sup> graders in the state to qualify as National Geography Bee State finalist
- 3<sup>rd</sup>/4<sup>th</sup> grade classes completed social action project to ensure the cleanliness of our Nature Trail by securing garbage cans and creating a plan to install them on the trail.
- Continued partnership with the Charis Place developing life links between students and elders in our community-visiting on a bimonthly basis
- Visiting Artist, Shala Dobson, provided incredible learning opportunities for students, staff and community during a weeklong arts institute
- Showcased our learning process of Inquiry, Dialogue and Reflection during quarterly learning celebrations designed and run independently by students.
- Maintained a broad base of committed volunteers. Volunteer hours average 16 hours per day...this is only counting classroom hours. Hours for PTA, APC, etc are over 1,000 hours for the school year-incredible support
- Focused on personalized learning for each whole child through our integrated model maintaining fidelity to our core, focus on relationships, and building meaningful, deep connections with each
- Created rich learning experiences due to dedicated and protected collaboration time built into daily schedule

Masonic Outstanding Student – Joshua Ryan Campos

ELKS Lodge #2425 Student of the Year-Jessie Metz

School-wide Projects

KAHS offers a morning breakfast program which is run by the Soldotna United Methodist Church, Our Lady of the Angels Catholic Church, and the Halstead Family. These groups coordinate efforts to secure grant funding for the project, purchase food items, prepare the food and serve breakfast to our students every morning. Their tireless efforts provide a hot meal to many students that would otherwise go without.

Kenai Alternative continued to collaborate with 11 other alternative schools from Alaska. A meeting was held in January. There all 11 schools discussed was to better serve the alternative students in our state. This coalition is funded by the state of Alaska Department of Education. Our school is also working with federal government in accordance with the Project AWARE. With this grant, both Kenai Alt and Homer Flex are able to have full time counselors to serve students with their social, emotional, and health needs.

This year KAHS had 25 graduates.

# **School Annual Report to the Superintendent 2017-2018**

School Name: McNeil Canyon Elementary

Principal: Pete Swanson

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

## **Staff Achievements**

- Ann Love, Melon Purcell and Lenore Swanson collaborated with parent volunteer Miriam Linder on 25th consecutive, successful Artist-in-Schools grant that provided the opportunity for all students to connect movement as an art form. Southeast Alaska artist, Sarah Campen, was our Artist in Residence. Sarah provided an opportunity for all of our students to work on developmentally appropriate body movement individually and collaboratively. McNeil students were very actively involved in this two week program. This AIS grant program has had a tremendous impact on the entire school and has become a very real tradition.

## **Student Accomplishments**

- Willem Hakala qualified for the National Geographic State Geography Bee and Kayla Kalafut qualified for the State Spelling Bee. Willem is a 5<sup>th</sup> grade student this year and Kayla is a 4<sup>th</sup> grade student.

## **Co-Curricular Accolades**

- K-2 Students competed in Battle of the Books.
- Several entries and strong showing in the KPBSD Forensics event.

# **School Annual Report to the Superintendent 2017-2018**

School Name: Moose Pass

Principal: Doug Hayman

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

An outstanding achievement for Moose Pass School was to stay open. It is a common worry in Moose Pass that the school may not make the level of 10 students in order to remain open. The school year began with 12 and ended with 15 students. Next year it is scheduled to open with at least 14 students with one more family trying to decide if their student should stay at Moose Pass or move to Seward as a seventh grader.

Moose Pass began the year with a new teacher, Sandra Barron. This transition was made easier by having the former certified teacher, Heather Lindquist, remain on staff as a classified para educator.

Moose Pass School is without doubt, the center of the Moose Pass community. Events and fundraisers at the school are well supported. For example, the Halloween Carnival was very well attended as was the Christmas Play/Performance. It is my observation that the audience attendance is approximately 5:1 (audience members to student ratio)

Parent Teacher conference attendance is 100%. Even though it is a very small school, students have opportunities in Battle of Books, Mind-a-Mazes, Quest, Lego Robotics, Girl Scouts, Spelling Bee, Soccer, Jump Rope for Heart, Forensics, and Cross Country Skiing.

Staff have worked hard to create opportunities for collaboration with three other schools. Tustumena, Hope, Moose Pass, and Cooper Landing share professional development opportunities focused on Personalized Learning. The secretaries of Moose Pass, Cooper Landing, and Hope have created a shared electronic newsletter that connects and informs all of the communities. This newsletter has organically been labeled "The Tri-School Newsletter," and is accessed by up to 100 readers per week. This newsletter is linked to the Tustumena newsletter as well which is accessed by an additional 150 devices per week.

Fundraising is a challenge in such a small school but the spirit of the school staff makes events that are well supported. Holiday markets and pizza sales are just two of the ways the find to support the students. Much of these funds go to sending students on field trips such as skiing and outdoor education sessions.

The 2018-19 school year will start with plenty of students and zero new staff members. It is likely to be a great year.

# **School Annual Report to the Superintendent 2017-2018**

School Name: Mountain View Elementary

Principal:Karl Kircher

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

2017-18 Highlights from Kenai's Neighborhood School

## **ENROLLMENT**

Mountain View Elementary continued its growth with a major increase in enrollment this year. In addition to our 3rd consecutive year enrolling over 70 kindergarteners, we had 80 new to school (40 new to district) students enroll as well this year. We hired two new teachers after the start of the year and will be receiving our 4th portable classroom this summer. Next year's enrollment, including PRE-K is expected to top 500.

## **SCHOOL CULTURE**

In September , we hosted "Diversity Day", where individuals with disabilities, as well as experts in the field of disabilities, came to Mountain View Elementary to set up eight different stations for presentations on a wide variety of physical and cognitive disabilities. As KPBSD's largest open enrollment school, we provide a number of programs to meet the needs of students with disabilities. All of our students benefit from their daily interactions within this diverse student body. This year's Diversity Day helped broaden a natural development of empathy and further prepare our students to participate in an inclusive society.

Kindness was the focus of a school-wide assembly at the end of 1st quarter. A variety of short skits, songs, and other presentations focused on all aspects of kindness. Teachers and students from across the school teamed up to celebrate the conclusion of our annual, start of the year, eight week focus on Positive Responses to Conflict and Kindness. Having all students, staff and families utilize positive responses to respectfully resolve conflict has long been a staple of our school's Strategic Plan.

Our PTA designed, purchased and distributed tee-shirts to the students at Mountain View Elementary with the saying, "Kindness Counts." The message is clear as to the behavioral interactions we place a priority on here at our school. While respect is often

the “go to” theme for school-wide expectations, our staff feels that kindness is indeed a step up in this area as it reaches a deeper emotional level.

Before Winter Break, fifty staff members from Mountain View Elementary boarded a school bus and ventured out into the neighborhood to spread a little kindness. Our first stops were for caroling. We surprised staff at Kenai Middle School and Kaleidoscope Elementary School and then went on to do the same at Kenai Post Office. Our final stop, arranged in advance, was the best of all. We enjoyed lunch at the Senior Center. Three out of the eight seats at each table were reserved for our staff which allowed for some great mingling, visiting and discussions. We sang carols with the seniors to top off a great day

## ACADEMIC

We received a Carrs/Safeway Inovation in Education Grant, these funds, when combined with other funds we had been saving, allowed Mountian View to purchase 48 Ipad by years end. We currently have a committee to faciliate teacher training and establish use protocol so that these devices are used effectively to advance Personalized Learning with a strong focus on the primary level.

We introduced intermediate as well as primary “code club” after school programs. The students were introduced to writing computer code. They eventually were able to start creating their own individual games to play. Our goal is to get kids using digital devices they have acces to at home to design and create games instaed of just mindlessly playing them. Both of these clubs ran for a quarter, were completely full and expansion of this program is planned for next year.

Band and choir continue to be popular pursuits for students at Mountian View. Over 75 % of 5th grade students participated in band. Forty students participated in after school choir.

We once again hosted the KPBSD Trimathalon. Over 100 students from schools around the district came to our school for this competition. Kudos to our staff as this required quite bit of flexibility to make this happen.

## INTERESTING FACTS

6 certified staff took maternity leave this year.

4 staff members were married this year

4 staff members became 1st time homeowners this year

## Awards:

Outstanding Student - Kailey Stynsberg  
Geography Bee - James Hemphill  
Spelling Bee - Emma Rector  
BP Teacher Nominee - Adrienne Bostic  
BP Teacher Nominee - Heather Baker  
BP Teacher Nominee - Monica Heath

## Student and Family Engagement

- Summer Activity Fair – This program was new at NNS this year. Community agencies were invited to attend the last day of school picnic and explain the opportunities they have available for students during the summer. Participating agencies included: Kenai Watershed Forum, Kenai Community Library, Triumvirate Theater, North Peninsula Recreation, and Boys and Girls Club.
- Family Nights – NNS had family nights for Art, Science, Reading and Math.
- NNS Music Program – 80% of the 4th and 5th grade students at NNS participated in either concert band, modern band, or NNS Choir. These music opportunities required either after school or lunch/recess time participation.
- One School One Book – Every NNS student is given a book to read for our One School One Book program in February. Students read the book with their families as well as during the school day. Prizes are awarded for answering questions about the book and the month culminates with a Bingo for Books Family Night.
- Shrek – Cast members from Kenai Performers came to NNS to perform songs from the community musical, Shrek. NNS was also amazingly fortunate to have a generous donor from the community sponsor tickets for any NNS student and parent chaperone to attend the community performance of Shrek. There were 222 students and parents who were able to see our music teacher and one of our second grade teachers perform in this production.

Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary, on or before June 1.

Paul Banks Elementary has continued to work at providing a quality educational program that suits the needs of all our students. Some of the accomplishments we had in the 2017-18 school year are listed below:

As a Personalized Learning Wave 2 school, we completed the Turnkey in-service plan. While we are still learning and growing in the area of personalized learning, we have made many changes to better align with the ideas of personalized learning. Alternative seating, Daily 5, and Daily 3 are a few examples that many teachers have made. Any teachers also took the Blended Learning course book talk.

PBE continues to be a five star school awarded by the State of Alaska as a *highest performing school*. (Moreover, will remain forever, until the state changes their rating system).

PBE conducted many great community and family nights. These include Bingo for Books, First Friday Art Extravaganza, as well as a number of violin performances.

A week long Read-A-Thon around the theme of Iditarod pushed many of our students into 'full-fledged' readers. The event also brought a lot of positive media press about our school.

We completed our second year of violin, where we collaborated with the Kenai Peninsula Orchestra and had our entire first and second graders learn to play violin. This was a huge success for our students and community. It came at no expense of the taxpayers' money.

The Winter and Spring Musical presentations filled the Homer High School auditorium to the delight of many parents, grandparents and community members. All 1<sup>st</sup> and 2<sup>nd</sup> graders also gave a violin performance.

The School took numerous field trips that exposed our students to the great outdoor activities that lay outside their backyard in Kachemak Bay.

This year, we had a number of new staff members. We are still calibrating together while honoring both new ideas and holding strong to the ideals that make PBE a great school.

One of our goals this year was to do more blended learning in the classroom. Due to technical difficulties, we had to adjust our goal. All classroom teachers sent home/posted instructional videos.

This year, we were flagged by the state for a 21% increase in Special Ed. students. We met the needs of all the children who enrolled with these needs. We restructured our special education program. If you would like more information, I can share our handbook with you.

## Outstanding achievements of students, staff, and Razdolna School

- Battle Books 3-4, 5-6,
- Grants:
  - Safeway (\$5000) Outdoor Classroom
  - Sea Grant (Artist in School Grades K-12)
- 8 Preschoolers (parent led) to Kindergarten
- 5 Kindergarten promotions to First Grade
- 11 Eighth grade promotions to HS
- Sports Head of the Bay Co-op: MS Wrestling, HS Soccer, Cross Country
- Field Trips
  - K-5 Trip w/Selo to Tiglax, Islands and Oceans, Local Doctors Office
  - MS/HS trip w/Selo students to Kasitsna Bay (15 Students)
  - Homer Book Store/Bishops Beach
  - Grades 2/3 trip to Maritime Helicopters, Kevin Bell Arena
- Parent volunteers: field trips/class projects, parent led pre-school
- Dual-language instruction (English/Russian) in grades K1, 2/3
- MS/HS Opportunities
  - Alaska Law Introduction: Andrew Haas, Homer Area Lawyer
  - HEA: Electric Conservation
  - SPH: Certified Babysitting Training
  - KPB Office of Emergency Management: Certified Emergency Readiness
  - CTE: After school construction academy at HHS
    - 4 participants in the CTE Welding Competition
  - MS/HS Model Airplane construction
- K-12 Swimming Lessons/Water Safety
  - K-5 at the Bay Club w/climbing wall
  - 6-12 at the Nikiski Pool
- Collaboration schedule—focus on Personalized Learning, Blended Learning, Russian Language, Dual Language

- Basargin Road/East End Road Cleanup (10 miles)
- Alternative/variance calendar (2018-19) approved by Site Council
- Implemented Sea Grant Activities w/Kachemak Selo School
  - MS/HS Field Trip to Kasitsna Bay (20 students, staff)
- Increased student engagement through: Reading Literacy Activities, Swimming, Artist in School, field trips

# **School Annual Report to the Superintendent 2017-2018**

School Name: Redoubt Elementary

Principal: William Withrow

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

## Staff Achievements

\*Redoubt continues to have success with the Positive Behavior Interventions and Supports (PBIS) system. This year we added Connect and Check to our program. Students received over 42,000 compliments and we celebrated 6 times over the year for good behavior.

\*New staff this year include Cindy Kircher; Head Secretary, Kevin Moos; 4th Grade Teacher, Amanda Barber; Part-time Attendance Secretary, Theodore Franchino; Aide, Jill Quesenberry; Title One, Terese Kashi; School Psychologist, Laura Wertanen; School Nurse, Tammy Flanders; IN Teacher, D'Anna Ham; Aide, Andrea Joule; Aide, Sherry Gladden; Aide and Kara Fraser; Kindergarten Teacher.

\*Leaving us this year is Jill Quesenberry; Title 1 and Dr. Kashi; psychologist.

\*Second Grade teacher Mrs. Staci Wells was nominated as one of five teachers for the BP Alaska Teachers of Excellence.

\*4th, 5th and 6th grade enjoyed elective classes this year. Classes taught were fly tying, cooking, bead work, skiing, photography, sewing, rock painting, cross stitch, knot tying and coin collecting.

\*Personalized Learning (PL) was implemented this year with a focus on student reflection and ownership.

## Student Accomplishments

\*Masonic Student of the Year is Andrew Arthur.

\*Forensics: 4th-6th grade participated in the school wide competition. Winners then competed at the Borough level.

\*Spelling Bee 1st place winner was Corey Lewis.

\*Summer Reading Program had 29 students participate in the program last summer. Students were rewarded with a school wide assembly, certificates and tee-shirts.

\*Redoubt competed in Battle of the Books with 3RD /4th and 5th/6th grade teams.

\*Geography Bee winner this year is Emma Hunter.

\*We held our annual Alaska Museum, Science Fair, Zoo Exhibit and Art Show that was open to all parents and classes to view.

\*Redoubt Elementary took part in the Tri-math-lon taking 1st place this year in the Lightning Round, 2nd place in the Word Problems Category and 4th place overall.

### School Programs and Activities

\*Family nights and after school activities. A variety of family activities were offered including our Annual Fun Run, Walk your Child to School Day, Bingo for Books, Game Night, Halloween Parade, Intramurals, Open House and our Annual Winter PTA Carnival.

\*Three Scholastic Book Fairs were offered this year to our students. Each with an opportunity for parents to come in the evenings to browse and have cookies and juice.

\*Kenai River Clean Up was a big success. Grades 4-6 participated in the cleanup and Redoubt, again this year, collected the most trash. Students were rewarded with fishing poles and gift cards for their efforts.

\*Music and Band concerts were held at Soldotna High School auditorium and Redoubt gym.

\*PTA wanted to celebrate students' birthdays with a "birthday table". Each first Wednesday of every month, students with that month's birthday receive invitations to sit at the birthday table in the lunch room.

\*Fun Fest was held three times throughout the year with activities like basketball, cake walk, face painting, board games, Wii, ping pong, desk ball, nail painting, Legos, and 4 square.

\*Redoubt ended another successful school year with the end of year activities that included an awards ceremony, picnic and field day.

### Community Support

\*Fred Meyer's Rewards program has been an invaluable support to our school. Many parents and community members have signed up to link their rewards cards to Redoubt Elementary.

\*Santa visited Redoubt this year with the help of his elf who played guitar and sang carols while students said hi to Santa and received candy canes.

\*Holiday Kindness. Redoubt parents, local business and community members donated items and food for 50 families this holiday season.

\*Food Bank "construction" competition collected over 1,000 pounds of canned goods and non-perishable items. The goods were delivered to the Food Bank and the 4 students with the highest amount of goods donated, were given a tour of the facility and discussion on how the food bank works.

\*Our Backpack Program's partnership with the Soldotna Church of Christ fed 24 families each week this year. Students received a backpack of non-perishable food on Fridays and returned their packs every Monday.

\*Volunteer Appreciate Week. Redoubt celebrated their volunteers with a two-day brunch buffet. Redoubt had an average of 68 volunteer hrs./week with various activities this year.

\*Soldotna Police Officer Brennan headed our D.A.R.E. program again this year with the class graduating at Soldotna High School in March. Soldotna Police also helped in our ALICE Drill.

\*Other community organizations donating time to our school were The Lions Club and Kenai National Wildlife Refuge.

\*Central Peninsula Hospital sponsored the Safety Seal Program through Safe Kids with Jane Fellman.

#### Other Points of Interest

\*Boys and Girls Club continues to operate out of our building. They provide a program of academic help, crafts, STEAM activities and snacks for student every school day until 6pm. In addition, they will be running a summer program at Redoubt that will provide activities for more than 100 students.

# **School Annual Report to the Superintendent 2017-2018**

School Name: River City Academy

Principal:Dawn Edwards-Smith

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

River City Academy was graciously awarded 2 Carrs/Safeway Innovations in Education grants and used the award to purchase camping equipment. We were able to extend our annual Seward/ Fort McGilvary/ WWII field trip to an overnight camping experience and added Environmental science curriculum to the project. Students learned basic camping & hiking safety, ecology and geography of the Seward area & met with staff from the Trail River Hatchery in Moose Pass (Cook Inlet Aquaculture).

River City social studies students participated in our 10th Human Rights Summit. Students presented on a variety of global events and advocated for a wide range of solutions to international problems. Among the highlights this year were issues involving technology, refugees, human trafficking, mental health and education rights.

This was River City's 5th year participating in the Model United Nations program at UAA. Students represented North Korea, Canada & Azerbaijan and had the opportunity to debate and discuss global issues at the college level.

RCA ELA classes joined with Cooper Landing students for two different writing workshops and for our Annual Poetry Slam. Additionally, we also had a competitive middle school and high school Battle of the Books team.

AND... River City Academy will partner with Summit Learning and become the second Summit Learning Partner school in Alaska starting next year.

# **School Annual Report to the Superintendent 2017-2018**

School Name: Seward High School

Principal: Trevan Walker

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

Seward High works hard to find rigorous and relevant opportunities for students, both academic and athletic, that have received local, regional, and state recognition.

We continued to expand our career mentorship/on-the-job training program by placing 58 students in the community. Of this number, 19 students were placed as student-aides in the Seward area K-12 Schools. Also, this represents 34% of our entire student body.

Students, from George Reising and Stephanie Cronin's Problem Solving and Design Class competed and presented at the Seward Energy Forum and Fair. Three groups were awarded scholarships from the Seward Chamber of Commerce and Seward Sustainable Energy Group in the amount of \$1500 for first place, \$800 for second place, and \$550 for third place. These projects are ongoing. One group of students presented their idea to Seward City Council. Another group presented to Head of Borough Maintenance, Site Council, and School Board.

Guest Speakers included:

Nick Zweifel- graduate student at Embry Riddle, and Seward High alumni, demonstrated how he is utilizing UAS (unmanned aircraft systems) and shared his career pathway. Students in the class frequently Skyped with engineer David Apperson, a Mechanical Engineer from PDC engineers in Anchorage and Seward High alumni. Mike Insalaco, John Foutz assisted students with their project ideas. Steve Fink- AVTEC's Maritime Simulator Technician- assisted students with programming in Python. Stephanie Presley -Seward/Bear Creek Flood Service Area Coordinator. Matt Widamann-Assisted students with Autodesk AutoCAD. Marion Glaser-wildlife biologist, came into share how she uses math and science regularly on her job. Jake Collins, From Edward Jones, spoke to students about the importance of investing at a young age. Finally, Kyle Walker, from the Seward Journal worked closely with student in journalism with SHS Today. He came in to teach lessons about writing articles. Seward Journal published several student articles this year. Finally, students had a guest from the City instructing them how and where to register to vote.

Government Class participated in Supreme Court Live.

Chemistry went to Alaska State crime lab to learn about forensics. Marine Biology took countless local field trips to continue their longitudinal Marine Debris Survey with NOAA. They also conducted several tide pool surveys--often meeting Mr. Reising in the middle of the night to catch the lowest tides.

Seward High Art Students are always heavily involved in community causes and Art. Students created art for the Seward Music and Arts Festival, The Alternative Energy Fair, The National Oceans Science Bowl, The Seward Health Fair and the Seward Mermaid Festival. At the KPBSD Juried Art Show, Blaze Havnen won Best in Show for his Painting. Josh Park won 1st place in the Open Category and Marisa Phasomsap took 3rd place in Black and White Drawing.

Tegan Reztner, Anavy Ambrosiani, Kylie Mullally, and Clay Peterson won Caring for the Kenai awards from the Borough Mayor. They were received a Commendation from the City of Seward.

Student Council attended the District-Wide Student Council Meeting and our own Heleana Backus was chosen as the Student Representative for The Language Arts Curriculum Review Committee. Her efforts resulted in being honored by the School Board with their Golden Apple Award.

Finally, 6 students were provided the opportunity to travel to Hydaberg for a 5 day STEAM fest.

George Reising worked alongside Kim Leslie, Amanda Adams, Kristin Davis, and Sean Campbell to develop a framework for secondary teachers in regard to personalized outcomes. They plan to launch a trial version of a personalized outcome-infused course this fall, with the hope of having a viable and sharable "product" to offer all KPBSD secondary teachers for the 2019/2020 school year to give kids an opportunity to have inspiration, time and support within their school day to pursue learning that's of extreme value to them personally.

In sports, Ruby Lindquist was the Outstanding Athlete of the 2018 Alaska State Track and Field Championships. She was also the Region III Athlete of the Year, and the Seward High School Athlete of the Year. She won the Girl's 800, 1600, and 3200 at both the State and Regional Championships.

Zen Petrosius was the Boy's Seward High Scholar-Athlete of the Year and earned 1<sup>st</sup> Team All-Region honors in Basketball.

Mallie Moriarty was the Girl's Seward High Scholar-Athlete of the Year. and earned 1<sup>st</sup> Team All-Region honors in Volleyball. Randi Tolson and Ashley Jackson were also named on the 1<sup>st</sup> Team All-Region Volleyball Team.

Clay Peterson won 3<sup>rd</sup> Place at the State Wrestling Championships at 98 lbs. Wrestling had it first medalist in several years clay 3rd 98lbs

# School Annual Report to the Superintendent 2017-2018

School Name: Seward Middle School

Principal: Jenny Martin

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Myla Liljemark - 7/8 History

Teacher exchange to Australia, Spring & Fall, 2017

Published the 2017-2018 school yearbook

3 Skype sessions between Seward Middle School students and Australian students

1 Skype session on Human Trafficking in Alaska

Selected as a member of the GLF cohort, to broaden global competency skills through a mix of web-based and in-person professional development programming. In July 2019, Myla will travel to South Africa with this group on an international field study, which will serve as the program's capstone activity, allowing her to delve deeper into understanding the cultural and educational landscape of South Africa. By the end of it all, Myla will have expanded her global perspective and be better equipped to create sustainable change in her classroom and beyond.

Shelly Walker - 7/8 Lang Arts

Cross country running finished with 33 runners, the largest team ever for SMS!

Nordic Skiing finished with 17, also the largest team for our school!

Drama: four quarterly productions—one act comedies performed for the elementary school, middle school, and parents

Language arts: students wrote, created, produced, and presented digital stories, research projects (a shared presentation with science), argumentative letters, multiple literary analyses, and fictional and nonfictional narratives. They read and analyzed several long and short fiction and nonfiction pieces, plays, and poetry. Students used blended learning for personalized, leveled nonfiction, language, and vocabulary instruction, practice, assessment, and self-reflection.

Worked as a team member on the Personalized Learning Team

Carlyn Nichols - 7/8 Science

BP Teacher of Excellence: \$500 grant issued to school and \$500 grant for teacher to use as needed

Headed up Personalized Learning team and piloted a PL playlist for her students in Canvas

Took 8<sup>th</sup> graders on an exploratory field trip to Avtec and 7<sup>th</sup> graders on a Kenai Fjords Boat Tour

### Sixth Grade

Nature Journals: The Park Service provided blank, hardback drawing journals and a set of colored pencils for each sixth grader at the beginning of the school year.

Students used the journals for scientific, observational drawings made during walks around Seward and on field trips, as well as poetry writing. An Art Contest judged by HS Art students took place for the Parks Service and 10 students were chosen to have the journals displayed this summer in the new office at the Harbor.

Gamified classrooms using ClassCraft: help students moderate their behavior. Each student became a character in the game, and was rewarded experience and gold points for behaving in positive ways and completing academic tasks and quests. Students were penalized health points when they did not meet the expectations.

Hiking field trip, with tour of Alaska Wildlife Conservation Center: Students traveled to Girdwood to hike the Winner Trail and complete some drawings in their nature journals.

Salmon spawning field trip at Bear Creek: Students traveled to Bear Creek Fish Weir to retrieve and fertilize salmon eggs for the Coho raising project. Successfully raised Coho salmon to be released back into the wild.

Junior Achievement curriculum: All sixth graders participated in a week-long Junior Achievement course with two Seward volunteers.

### Special Ed

Special Olympics Middle School Bowling Tournament in Eagle River

Frequent feedback from colleagues and parents regarding their observations of students having made significant progress.

Two students have successfully mastered 2 years-worth of math instruction this year. (A 6th-grade student completed both Course 1 & 2, and a 7th-grade student completed both Course 2 & 3.)

Swimming twice a week during semester 2.

Successful program despite having unfilled positions, often with no substitute.

### Libray

Seward Middle School received a \$2000 grant from the Seward Community Foundation this spring! Money will be used to add new, flexible seating to create a reading nook in an area that has been used for storage in the past. This project should be completed next semester

Seward Middle School Library was #1 among the KPBSD schools in Overdrive logins this year! Our students logged in 2,643 times. That's 24 ebooks per student!

### Music

Small groups of students performed three times throughout the year for the school and community.

Students helped write and record a musical.

# **School Annual Report to the Superintendent 2017-2018**

School Name: Skyview Middle School

Principal: Sargeant Truesdell Principal, and Jill DuFloth, Assistant Principal

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

Skyview Middle School is a comprehensive middle school with an enrollment of 410 full time students in seventh and eighth grade. This past year, SMS continued to provide a full array of elective courses such as band, choir, art, vocational and technical education, and foreign language. SMS also provided many opportunities for students that needed additional supports as well as enrichment. Additionally, the Title VI program continued to be beneficial in assisting Alaska Native students increased their academic performance as well as to help build stronger connections with school. Many of these students participated in the district's Upstream Academies, which are weeklong STEM camps, spearheaded by Rachel Pioch.

## **Staff Accomplishments**

Mr. Sarge Truesdell served in his 7<sup>th</sup> year as the principal of Skyview Middle School, and it was the 3<sup>rd</sup> year for assistant principal, Jill DuFloth. For 2017-2018, we added four new teachers to the staff. New this year to Skyview Middle School was the first year of the KPBSD's Personalized Learning initiative. Skyview's Personalized Learning team was Sargeant Truesdell, Jill DuFloth, Amy Angleton, Sheilah-Margaret Pothast, Wendy Potton, and Patrick Dwyer. The PL team worked closely with Education Elements consultants and received PL training, which the team in turn, tailored to Skyview Middle School, and then delivered to the staff. Skyview is well on its way of integrating and implementing PL structures and strategies into our classes. Lastly, Skyview Middle School was one district recipient of a funding grant from Andeavor, which will promote STEM and CTE classes in our schools. This will help develop and support high-tech and high-skilled classes and projects for students at Skyview.

Masonic Student of the Year: Winner: Ivy Daly

Nominees: Quinten Cox, Nathanael Johnson, Josephine Moore and Jordan Strausbaugh

SMS Spelling Bee Winner: Josephine Moore

Geography Bee Winner: Blake Lewis

Outstanding Band Student of the Year: Josephine Moore

Outstanding Choir Student of the Year: Gabby Lane

Golden Hammer (Vocational Award): Justin Busddieker

Outstanding PE Students of the Year: 7th Grade--Kristen Houser and Shane Sundberg; 7th Grade CF--Trinity Donovan & Issac Chavarria; 8th Grade--Montana Fischer & Logan Shane

Outstanding Student Council Members: Ashley Anderson and Quinten Cox

Best of Show Art Award Winner: Jolie Widaman

Battle of the Books Team: Ivy Daly, Liam Harris, and Brayden Hart

Middle School Math Meet Team: Quinten Cox, Drew Cox, Josie Moore, Tessa Dearmore, Justin Hansen, Ivy Daly, Ali Powell

Chamber of Commerce Students of the Quarter:-2017-2018: Alissa Powell, Jordan Strausbaugh, and Joshua Jelliff

Perfect Attendance: Michael Cornell, Taylor Dobson, Hanna Giugler, Jessica Phegley, Avery Willets

4.0 G.P.A. (Entire year)

7th Grade:

Jakob Brown, Regan Evans, Ethan Hogue, Karley Johnson, Ashley Kingrey, Josie Sheridan, Violet Truesdell

8th Grade:

Chloe Armstrong, Katharine Bramante, Emma Brantley, Justin Busddieker, Ivy Daly, Blaine Hayes, Keegan Lorrington, Alissa Powell, Kaytlynn Walden, Aleena Zener

4.0 Both Years: Bethany Richmond, Jordan Strausbaugh, Isabella Valenzuela, Josephine Moore, Gabrielle Lane, Noah Harper

Reading, Mathematics, and Language Arts Remediation, Enrichment and High School Credit Offerings

In the quest to meet the academic needs and challenges of our students, Skyview Middle School offers classes designed to remediate areas of academic deficit before students move on to high school. Skyview has Reading, Mathematics, and Language Arts intervention classes that utilizing a variety of programming. Skyview also seeks to enrich the educational experience of advanced learners. Skyview offers Algebra and Geometry for high school credit. The availability of these two classes has enabled personalization to the needs of the advanced learner. This year, an online keyboarding course for high school credit was offered. These course offerings have enabled many students the ability to get a jump-start on their high school experience and will expand their future coursework opportunities.

Student Council

SMS Student Council membership finished the school year with more than 90 members. Our membership has assisted with Registration, the Transition Program, Open House, Parent Teacher Conferences, site visits to the 6th grade feeder schools,

and the SoHi Prom. We hosted five Activity Nights, a Spirit Week, created a Veterans Display in our front entry, raised money for Hurricane Relief efforts, conducted a Holiday Food Drive, and a donation drive to benefit Project Homeless Connect. Student Council members assisted in the 6th grade visit to our school leading tours and the Dress Code Fashion Show. Our Panther Student Council is a vital part of the success of our school and we look forward to continuing our tradition of spirit and service in the future.

#### Extra-Curricular Sports

Skyview Middle School continued to offer its traditional athletic program in 2017-2018. With over 400 participants in Soccer, Cross Country Running, Basketball, Wrestling, Cross Country Skiing, Volleyball, and Track & Field.

Borough Champs: Track (150 7th and 8th graders participated!) 1st Places at boroughs—Boys and Girls--15 1st place finishes; Wrestling – 1st place team boroughs and 8 1st place champions; Girls Soccer—1st place boroughs; Girls Basketball and Boys Basketball—1st place boroughs for both teams

# School Annual Report to the Superintendent

**School Name** Soldotna Elementary

**Submitted by** Austin Stevenson

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special schoolwide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

- Library received monetary donations through 'Donors Choose'
- The Andeavor Community Investment program awarded Soldotna elementary an allotment for STEM books
- School wide administration of the MAP assessment (3 times) as a pilot for the entire KPBSD
- School wide acceleration in Math classes became available to all students (k-6) during the 2017-2018 school year
- Offered multiple new afterschool programs including two entirely new STEMp clubs.
- District wide forensics placements:  
1st Place Interpretive Reading Single  
2<sup>nd</sup> Place Interpretive Reading Multiple  
2nd Place Humorous Poetry  
3rd Place Interpretive Reading
- Student from SoEl was a Dare Essay Finalist
- SoEl participated in the 2018 Kenai River Spring Clean Up
- SoEl received over 1000 dollars in box tops earnings
- PTO supported the first annual Spring Carnival
- PTO has raised over \$4000 dollars for new playground equipment

## Superintendent's Annual Report 17-18

School Name Soldotna High School

Submitted by Tony Graham

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special schoolwide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler on or before June 1.

Soldotna High School continues to provide an Afterschool Media Center (7:30 am – 5:00 pm) program that has been another successful year for students needing a place to work and/or needing additional support after the regular school day.

Soldotna High School continues with its great success in athletics and activities. Listed below are this year's accomplishments:

- \* SoHi Principal Tony Graham was named Region 3 Principal of the Year.
  - \* SoHi's Students in Transition Drive was a success. SoHi collected \$300 for our students in need in the KPBSD district.
  - \* SoHi SkillsUSA members did awesome at the District CTSO Conference AND in Anchorage! The school won the Most Employable School award for the second straight year
  - \* SoHi SkillsUSA students also hold 4 of the State Officer positions.
  - \* Cinderella's Closet has been a huge success over the years providing students with dresses and items from around the Peninsula and provided items to about 200 students.
  - SoHi Art students had 11 showings at the 29<sup>th</sup> Annual Visual Feast Art Show.
  - \* Soldotna Bible Chapel and Mission Aviation Repair Center local community organizations volunteered weekly with our SALT program for the second and final year of the SALT program.
  - \* Battle of the Books tied for 2<sup>nd</sup> this year at KPBSD.
  - \* SoHi Football won the state championship for the 6<sup>th</sup> straight year in a row and 59 straight consecutive wins. At least 9 players from the team received awards this season and the Assistant Coach won Coach of the Year.
  - \* Soldotna High School students won more than \$300,061.00 in scholarship money this year. With some big \$10,000-\$20,000 amounts awarded. 4 students won the Moose Youth awareness scholarship with a trip to Boston for Youth Congress. The HEA Youth Rally recipient gets a trip to Idaho.
  - \* During the Thanksgiving food drive, SoHi students collected enough food to give full meals to over 20 families.
- Soldotna girls soccer placed third at state soccer.

Soldotna High School strives for excellence and has the goal of leading our School District on the path of continual improvement. Thanks for a great year!

# **School Annual Report to the Superintendent 2017-2018**

School Name: Soldotna Montessori Charter School

Principal: John DeVold

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

School Food Pantry - Community outreach effort. This school wide project was supported by student participation in bringing in donations for the pantry. Students also maintained the pantry throughout the year. Many parents/families participated in filling the pantry individually and as part of school effort events. Outside community members participated in adding materials to the pantry. Connections to the Food Bank and local grocery stores were developed in support of this project. Students participated in 5-6 presentations to City Councils, Local Clubs and City Hall. The school has received various forms of feedback from community members who have utilized the food pantry resource in appreciation of the effort that is made by our students. The effort has also received notoriety from the Peninsula Clarion, and on social media.

Student Developed Fundraising efforts via school stores. - three groups of students participated in establishing a school store to raise funds for donations. This year's recipients (Selected by the participating students) were The Kenai Animal Shelter, American Heart Association, and our local school Food Pantry. Students' stores raised \$32.28 for the American Heart Association; \$234.20 for the Kenai Animal Shelter, and \$375.30 for the school Food Pantry. The entire effort on all the school stores was completed by students.

First ever school "Fun Run" occurred as another fundraising effort. It was a quick implementation effort with a plan to expand it in the future. The school raised \$1775.00 for school playground equipment. The school effort will be used in conjunction with the SoEl for joint purchase of the equipment. Additionally, the money raised from this event will supply a plaque that recognized the efforts of our former P.E. teacher who spent many hours of her career here, out on the playground with kids.

Our new P.E. Teacher carried out a Jump Rope for Heart fundraiser for the American Heart Association. Students raised \$5184.00 in their effort. Quite remarkable for 167 students.

The school established a new holiday outreach program called "Spirit of Kindness." Donations for gifts were collected and then provided to participating students in need.

Since the program was in it's first year, we limited the outreach to SMCS studnets in need, but have plans on expanding it to include families in the coomunity. We also would like the "Spirit of Kindness" to not be limited to the holiday season and are working toward additional efforts in using the "Spirit of Kindness" donations throughout the year for a variety of needs.

Terri Carter has been asked to submit her resume for the Profesisonal Teaching Practices Commission as a board member.

Jessica Moore was recognized for her nomination as a BP teacher of Excellence.

Kris Romberg was a presenter at the Alaska Science Consortium.

# School Annual Report to the Superintendent

**School Name** Soldotna Prep School

**Submitted by** Curtis Schmidt, Principal

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary, on or before June 1.

Soldotna Prep School is a 9<sup>th</sup> Grade academy that works hand in hand with Soldotna High School. Soldotna Prep has an enrollment of 192 full time students all of whom are in the 9<sup>th</sup> grade. Soldotna Prep offers appropriate grade level courses in Language Arts, Biology, Pre-Algebra, Algebra, Geometry, and Alaska History. SPS provides a full array of elective courses for 9<sup>th</sup> graders such as Geography, Sport Specific Training, Lifetime Activities, Health, Band, Choir, Art, Ceramics, Technology, Vocational Education, and Spanish I. SPS also works in conjunction with KPBSD Distance Delivery to offer students access to curriculum not offered in our traditional program or as an option to the classroom setting. Students accessed course work in Algebra, Computer Applications, Employability Skills, Health, Geography, Geometry, and Foreign Language. Soldotna Prep implemented a daily schedule and teaching assignments that contributed to the success demonstrated this year. Teachers are organized into core teams with one history, math, science, and language arts teacher per 100 (approx.) students. The four teachers work as a team and have a common prep time where they meet periodically together to develop and plan core teaching methods as well as design interventions for struggling students.

**Staff Accomplishments:** Mr. Will Chervenak completed his Administrative internship at Soldotna Prep this year and was awarded a Master's Degree from U.A.A. He was also selected as finalist for the BP Teacher of the Year award. Soldotna Prep had 2 crucial team members retire, Donna Huegulet, Intensive needs teacher, and Vicki Madden, Head Secretary. Soldotna Prep staff participated in many KPBSD Committees and engaged in multiple Professional Development opportunities this year with staff represented on the Math Curriculum committee, and the Recognition committee. Professional Development was focused around Canvas and increasing the amount of class materials available to students anytime and anywhere and learning/experimenting about/with Personalized Learning. Book talks on Blended Learning in Action and The Innovator's Mindset were completed by over 50 % of the staff and all teachers practiced with Data Driven Instruction and Student Ownership and Reflection this year. Soldotna Prep again had very high participation rates in the Caring for the Kenai contest and was awarded over \$5000 for the school to use for future events. 4 of the top 12 finalists in the contest were from Soldotna Prep, including the runner up, Erika Arthur.

**Masonic Student of the Year:** Nick McConnell

**Masonic Student of the Year Finalists:** Erika Arthur, Josh Pieh, Ethan Evans, Grace Wahl, Katie Delker

**Chamber of Commerce Students of the Quarter:** Cassidy King, Abby Radeck, Grace Wahl

**Caring for the Kenai Contest winners:** 2nd placed overall, Erika Arthur, 3<sup>rd</sup> place, Ryder Gielser, 6-12<sup>th</sup> Finalists Christina Kuczmariski and Parker Kincaid. Sponsor Awards were granted to, Brayden Gagnon, Bryce McCullough, Katie Delker, Kyrie Medina, Mack Frost, Zach Burns, Tyra Vix, and Christina Kuczmariski

**Perfect Attendance:** None

**4.0 G.P.A. (Entire year):** Zachary Burns, Victoria Garcia, Sierra Kuntz, Ryder Geisler, Olivia Daivs, Nick McConnell, Molly Cook, Madelyn Barkman, Laynee Straughsbaugh, Katie Delker, John Einerson, Ethan Evans, Erika Arthur, Clifford McElrea, Cassidy King, Abby Radeck, Aaron Fleming

**Elected Student Council Officers for 2017-18:** Katie Delker, Ethan Evans, Olivia Davis, Erika Arthur, Tuf Boze

**Credit Acquisition**

Compared to previous 5 years of data for Soldotna Area 9<sup>th</sup> graders Soldotna Prep School experienced an increase in the percentage of students earning 6 or more high school credits, an increase the percentage of students who are on track for graduation, and an increased reduction in the number of students earning 5 or less credits. 75.3% of Soldotna Prep’s students will have earned 6 or more credits and Soldotna Prep will have 84.3% of the 9<sup>th</sup> grade class be on track to graduate in 4 years. This is in comparison to the previous 5-year average of 69% earning 6 or more credits and 75% of Soldotna Area 9<sup>th</sup> graders being on track to graduate in 4 years. Additionally, 28.6% of our students will have actually earned more than one year’s worth of high school credit at the end of their freshman year and the number of students who are far behind pace to graduate in 4 years has been reduced by 14.5 per cent when compared to the 5-year average. The biggest gains in recent years has been in the students who are far behind this number continues to decrease while the numbers of students who are closer to being on track graduate or who are on track to graduate continue to slowly rise.

Here is the final data for the 2017-18 School Year for Soldotna Prep Academic Performance:

178 Total Students

134 (75.3%) --- Passed all classes and earned 6 or more credits for the 2017-18 school year.

150 (84.3%) --- Passed all classes or had only one F and are on pace for 5.5 or more credits for the 2017-18 school year.

(16 students earned only 1 F this year)

28 (15.7%) --- Had 2 or more F’s and are **not** on pace for 5.5 or more credits during the 2017-18 school year. All of these students have been referred to Summer School for the 2018 Summer Session.

(15 students earned 5 credits, 5 students earned 4.5 credits, and 8 students earned 4 or less credits)

2017-18 data (break down by credit earned)

<u>Total</u>	<u>7</u>	<u>6.5</u>	<u>6</u>	<u>5.5</u>	<u>5</u>	<u>4.5</u>	<u>4 or less</u>
178	37	14	83	16	15	5	8
100%	20.7%	7.9%	46.7%	9%	8.5%	2.8%	4.5%

# School Annual Report to the Superintendent

**School Name**  Sterling Elementary School (2018)

**Submitted by**  Denise Kelly

Sterling Elementary had a year full of art and parent involvement activities:

- We started the school year with new faces! We added three new classroom teachers and a new custodian.
- We had a back to school ice cream social – sponsored by our marvelous PTA. Students were able to meet their teachers and drop off their school supplies.
- We had 20 students who returned from summer and turned in their summer reading log. Our theme, again, was catching students reading in unique places. Students and staff sent in pictures reading in all kinds of vacation, camping, and relaxing locations!
- We started the year with grade cluster game afternoons led by our principal. This was to bring our grade levels together in fun, pro-social activities to help promote community.
- Sterling implemented the first parts of the Caring School Community curriculum that was purchased in part by a grant from the Voya Unsung Heroes and our school PTA. We implemented class meetings this year and will implement the final two components, buddy classrooms and home links next year.
- Our teachers, staff, PTA and volunteers made Trunk, Trail or Treat successful yet again! Our PTA also sponsored a Holiday Craft Fair this year which brought in a variety of local vendors.
- We held 2 Falcon Fun Nights this year where students could stay afterschool for fun activities and snacks.
- Our annual Sterling PTA Carnival was in February. As usual, we had a great turn out and made money for our school with our silent auction baskets.
- We held a Veteran’s Day concert as well as our winter and spring concerts. This year, we were pleased to offer a full year of art taught by our music and PE teachers. Through these two teachers’ collaborations throughout the year, our spring concert was more of a production showcasing the visual and dramatic arts they had practiced with students all year long. Parents came away from both the primary and intermediate concerts saying they were the best yet!
- In addition to the concert productions, Sterling held a fine art show which showcased all of the students’ art from the school year. Our band students provided elegant background music and our leadership students served hors d’oeuvres to all of our gallery opening guests!
- Our PBIS system continues to maintain the culture of our school. This year, students from each class announced on the announcements what their classroom celebrations were going to be when they filled their pompom jars. We had school wide celebrations nearly monthly if not more often because our school pompom jar was full. Our school was one of four schools that earned 100% on the PBIS SET assessment this school year!
- Students who earned the golden pompom were celebrated with ice cream with their lunch as well as the phone call home, prize from the prize box and picture on the bulletin board.

- Kinder-Fair provided future Kindergarteners and their parents the opportunity to register for Head Start and Kindergarten. Partnering with Head Start each year allows parents to see education as important from the earliest years.
- Our Sterling PTA continues to support RIF (Reading is Fundamental) which provides 3 brand new books to each Sterling Elementary student throughout the school year. We also support our Sterling Head Start as they come with their students to pick out books as well.
- Our end of the year field day brought in many volunteers, even ones who hadn't volunteered at any other time in the year. It was great to have new faces working with our students.
- Sterling raised money for Jump Rope for Heart and Pennies for Patients this year! Sterling families are so very generous!
- Our whole school family involvement events this year included – Back to School Ice Cream Social, annual Thanksgiving family day, Title 1 sponsored Muffins with Moms and Doughnuts with Dads, Watch DOGS Dads and Kids Pizza Night, Science Night, Art Show, Spring and Winter Concerts. All were successful with our students and families. In addition, we held our pre-k promotion during the evening this school year and it was well attended with over 80 family members of our 18 pre-k students.
- Sterling Elementary implemented the Watch DOGS (Dads of Great Students) program this school year. Our intent was to bring in more dads and male figures into our school to benefit the learning of our students. We were able to engage three dads on a consistent basis and will continue to work to engage more dads throughout upcoming school years.
- Classes participated in bear safety, water safety, winter safety, and dental health classes this year. We also welcomed the Red Cross Pillow Case Project as well as the Soldotna Lions who donated dictionaries and thesauruses to our students. 5<sup>th</sup> and 6<sup>th</sup> grade classes participated in the Challenger Center's Mission to Mars.
- Our 2<sup>nd</sup> grade classes participated in the State of Alaska's I Know I Can program for college and career readiness which culminated in a career panel with parents from our school talking about their college experiences. In addition, our 2<sup>nd</sup> and 3<sup>rd</sup> grade classes held a math Olympics with their students.
- We had two Battle of the Books teams who did well in the tournament, with our 5/6 team tying for second place. Sterling Elementary students participated in the Borough Forensics tournament and we had 13 borough winners.
- Sterling Elementary completed the Great Kindness Challenge and decorated our lobby with their acts of kindness.
- We conducted our evacuation drill as a potential response to a school intruder or emergency situation. Sterling Baptist Church was instrumental in making that a success.
- Personalized Learning (PL) became a term used across our school. As a Wave 2 school, we went through our foundations and design trainings this school year with our PL Leadership Team. This team turned around and trained our teachers and instructional staff on the tenets of PL and all teachers experimented in personalizing learning for their students. Our staff are excited for our next steps phase.

During this school year, students participated in:

- K – 6 students participated in Healthy Futures AK earning prizes for documenting their physical activity throughout the year.

- Students in grades 3 – 6 took the Math Performance Series assessment three times this year. Students in grade 6 took the Performance Series assessment in all three areas, Reading, ELA and Math, in preparation for middle school.
- Our 2<sup>nd</sup> and 3<sup>rd</sup> grade Lexia Core 5 users were at 100% usage and earned Amazon gift cards.

The following individual students were also recognized:

- Jenifer Webster was selected as this year's Masonic Outstanding Student in recognition of his hard work in academics, character, and his ability to get along with everyone!
- Kevin Steger's art work was selected to represent Sterling Elementary on next year's school calendar magnet.

Sterling continues to share our facilities with the Sterling Judo Club, a local church who has a weekly youth group, and the Good News Club.

We continue to build our partnerships with the Sterling Community Center and the Sterling Senior Center, both prominent businesses within our community.

# **School Annual Report to the Superintendent 2017-2018**

School Name: Tustumena

Principal: Doug Hayman

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

Our outstanding achievements are measured best by our relationships. We started the year with a well attended Open House event and began to immediately begin work with the community to plan for the fall carnival coming in October. This event is the first of the year that brings, seemingly, the entire community through the Tustumena doors with an estimated 400 people in attendance. It is good clean fun and a very successful fundraiser for our PTO. This event also culminates a multiple prize auction that also raises funds but additionally creates community partnerships as their donations result in advertisement for the community. Our carnival has a Halloween theme but always falls on the last Friday of October so does not always correlate with October 31. In the case it does not match up, we also partner with the KPL, Boys and Girls Club, and the Eagles to provide a Trunk or Treat event in order to facilitate a safe and convenient event for kids to dress up for Halloween and go trick or treating. Our school also partners with the Kasilof Boys and Girls Club. This partnership has multiple benefits for our community. First, it is a safe place for kids to be after school. On average, 25% of our student body attend per day with a total of over 50% of the student body as members. This club is not only a service to our community but to the children themselves. Because of the rate of free or reduced lunches served in our school, the club qualified for a five year grant to serve supper. It is a sad note that so many families qualify for this program but in qualifying, the club serves actual meals to each child each night before they go home, not just a after school snack. We also partner with the Kasilof Public Library. This partnership is nearly 50 years old. It is mutually beneficial partnership that provides all community members with library access and provides the school with a larger selection of books, updated computers and this year, new furniture that we share. Still another partner is the Kasilof Community Church. Each Tuesday this church provides an afterschool program for approximately 60 students. This church is our "Parent pickup point" for our ALICE plan. Because of our unique setting and unavailability of any structure large enough to accommodate all of our children and staff within walking distance. Our plan includes remote site bus loading and transportation to the KCC facility where parents would be directed to pick up their children if we were to have an intruder-type emergency. Through our school newsletter, we began "Parent University". This is a series of links imbedded into the newsletter. These links are generated by our teachers in response to the help specific grade level student may need in order to remember how to do their

homework. Parents are often frustrated by not being able to help with homework because the methods and strategies have changed since they were in school. Parent University aids in closing that gap. In tracking the success of this program, I can see a number equal to 25% to 50% of the targeted grade level support households accessed the links.

First quarter Parent/Teacher conferences were well attended but some conferencing had to occur via telephone in order to assure 100% contact.

Tustumena students experienced several district level competition successes. Our Battle of Books team placed 4<sup>th</sup> in the grade 3/4 category while our 5/6 team missed the finals by one question. The district Forensics match, hosted by Tustumena, featured nine categories with three grade levels in each category. Within these 27 specific competition, Tustumena students had several students place in the top three in nine of them. Additionally Tustumena held spelling bee competitions, National Geographic Sponsored Geography Bee as well with winners advance to the state level. Two unique opportunities that Tustumena students experienced this year were Campfire time and Thinkers Club. Campfire time was focused on K-3 grade students who, on a weekly basis during third quarter, participated in storytelling, Character Counts lessons, and old fashioned campfire songs. Thinkers Club involved students grades 4-6. Each week students learned strategies in team building, process planning, product based learning. Often there was not a "first place" but rather a criteria of success. Most of the projects were based on the ability to communicate clearly with a team. These teams were set up in a multiple of ways including student selected, teacher selected, and random selection. In each project, student were asked to analyze their success and correlate that success with the teams ability to function together. One of the biggest successes of the Tustumena staff is difficult to appreciate in a numeric fashion. They are all part of a bigger picture. They work together to make this a great place to be. The average number of years of service to Tustumena is nearly 20 years. Our former "BP Teacher of the Year," Sharon Hopkins, has retired this week. She served our district for more than two decades. So has several of our former and current staff members. There will be significant rollover as this group of friends begin to focus on life outside of education.

# Superintendent's Annual Report: 2017-18

School Name West Homer Elementary School

Submitted by Eric Waltenbaugh

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special school-wide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.
