Interests

I am thoroughly interested in a variety of activities, student advocacy and trail-running being at the top of that list. I competed for the Seward varsity running team as well as the Soldotna varsity team, attending state championships twice and placing regionally all three years I've ran. As for student government, I was the student body president of Seward High School in 10th grade. That experience opened my eyes to how vital a student's voice should be and how little students realize it. I now serve on multiple school boards and attend various events to help grow student leaders. My two biggest passions are both running and student leadership.

Volunteer Experience

- Advanced Physical Therapy, Seward, AK.
- Mt. Marathon Race Crew.
- Central Peninsula Hospital.
- Heritage Place.
- Bi-annual Soldotna High School Blood Drives.
- Kenai Peninsula Food Bank

Hobbies

On the side, I run even more. Between sports seasons, I like to explore new trails and hike with friends. When I'm not doing homework or other extracurriculars, I dabble in reading Tolstoy, Hemingway, and Fitzgerald. Their writing inspires my own, so I often find myself writing short stories more often when I finish one of their novels.
