

February 18, 2019

To Whom It May Concern,

I am requesting a board approved unpaid leave of absence for the 2019-2020 school year. I have been out a significant portion of this 2018-2019 school year on family medical leave and the challenges I am facing require ongoing weekly treatment into this next year. I have worked with amazing students in both Kenai and Seward, and would love to keep the door open for future service to the KPBSD community I love. I deeply appreciate your consideration during this difficult time.

Sincerely,

Jason W. Leslie
