

Dear School Board Members:

First, thank you for your service to our schools and community; I appreciate you.

I have been teaching for the KPBSD at Voznesenka since 2007. I request to take a year's leave. It has been an extremely hard year for personal reasons-- [REDACTED]

I would use the year to re-charge my batteries and prepare for another few years. I know a period to re-charge would be in my best interest and for the students I teach.

I could try-out retirement and I know, if I choose to return, I would apply internally for open positions in 2020, and maintain my status.

I hold a Ph.D. in the sciences and Alaska State Professional Teacher Certificate with endorsements in:
Music (7-12); Elementary Education (K-8). History (7-12), Biology (7-12) and highly qualified in General Sciences and Language Arts.

Please support my request for an unpaid leave-of-absence for a year—2019-2020

Rick (Frederick Anthony) Foster, Ph.D.
