Alaska Statute Sec. 14.14.060. Relationship between the borough school district and borough; finances and buildings. (c) Except as otherwise provided by municipal ordinance, the borough school board shall submit the school budget for the following school year to the borough assembly by May 1 for approval of the total amount. Within 30 days after receipt of the budget, the assembly shall determine the total amount of money to be made available from local sources for school purposes and shall furnish the school board with a statement of the sum to be made available. If the assembly does not, within 30 days, furnish the school board with a statement of the sum to be made available, the amount requested in the budget is automatically approved. Except as otherwise provided by municipal ordinance, by June 30, the assembly shall appropriate the amount to be made available from local sources from money available for the purpose.
