Ms Penny Vadla
KPBSD School Board
Kenai Peninsula Borough School District

Dear Ms Vadla:

Due to unforeseen circumstances, I am writing to you and the board to inform you that I will not be able to accept my elected School Board seat in October. I apologize for any inconvenience this makes.

I believe the work of the School Board is critical to a successful educational program. I will continue to support the KPBSD in any way I can.

Sincerely,

Martha Fleming
