RE: Retirement as of June 30, 2021

This letter is formal notice of my intent to retire from the Kenai Peninsula Borough School District as of June 30, 2021. Prior to accepting the position of Superintendent, I informed the board that I would be retiring at the conclusion of the 2020-2021 school year (June 30, 2021).

After what will be my 28th year of serving students and families in public education, it is time to move on to my second act and pursue new adventures in life. This advance notice should provide ample opportunity for the board to begin and complete a successful superintendent search process for hiring a new superintendent of schools for the 2021-2022 school year. I will support and serve this district throughout the remainder of this school year. I am happy to assist the board during the search process in any way that I can be of service.

Sincerely,

John O'Brien
Superintendent
