Section	4000 PERSONNEL
Title	School Attendance-Staff Dependents
Code	AR 4111.3
Status	First Reading
Last Reviewed	June 1, 2020

Based on the belief that having staff children/dependents enrolled at the staff members' school of employment can support a positive school climate and boost employee morale, school administrators shall be permitted to enroll staff members' children/dependents even if the school's enrollment is at or above capacity, if the children/dependents meet all other eligibility criteria.
