Dear Dave,

We appreciate very much your donation of the two ledger books containing students who attended Seward Elementary School and Seward High School. The Resurrection Bay Historical Society Collections Committee met recently and accepted the donation.

We thank you very much your thoughtfulness in donating this collection to the Resurrection Bay Historical Society. We know the information will be helpful to researchers and others who are interested in local history. Perusing the pages, it was interesting to see how many students attended our schools for a very short period of time before moving on. We also consider ourselves very lucky to receive the ledger with Benny Benson's report card details.

I am enclosing a copy of the Deed of Gift for your records.

All the best,

Colleen Kelly
