Section: Personnel

Resolution Number: 4.3

Title: Alaska Statewide Educator Mentoring

Proposed Resolution, Amendment or Comment: (please write your new resolution, an amendment to an existing resolution or a comment concerning a resolution in this text box. Rationale for a new or amended resolution is on the next page.)

This is a proposal to amend the Rationale of AASB Personnel Resolution 4.3 Mentoring.

I propose adding the following language to the Rationale:

- *Content should include cultural competence, reflective practices, equity in schools, and social justice in the school and community.*

Rationale: These points are taken from the Educators Rising Standards published by the National Education Association.

- “The imperative to cultivate a new generation of diverse, skilled practitioners is at the root of all hopes for a more equitable and competitive future for our country. Research has long indicated that, among school factors, nothing influences student achievement more than the effectiveness of one’s teacher.” (ERS Introduction)
