Mariners on Zoom

(instead of Mariners on the Move)

- We continued to honor our hard-working students
- We had relative from Seattle show up while we honored their niece
- Families and students were extremely happy we could still do this

First Day of School 2020-21

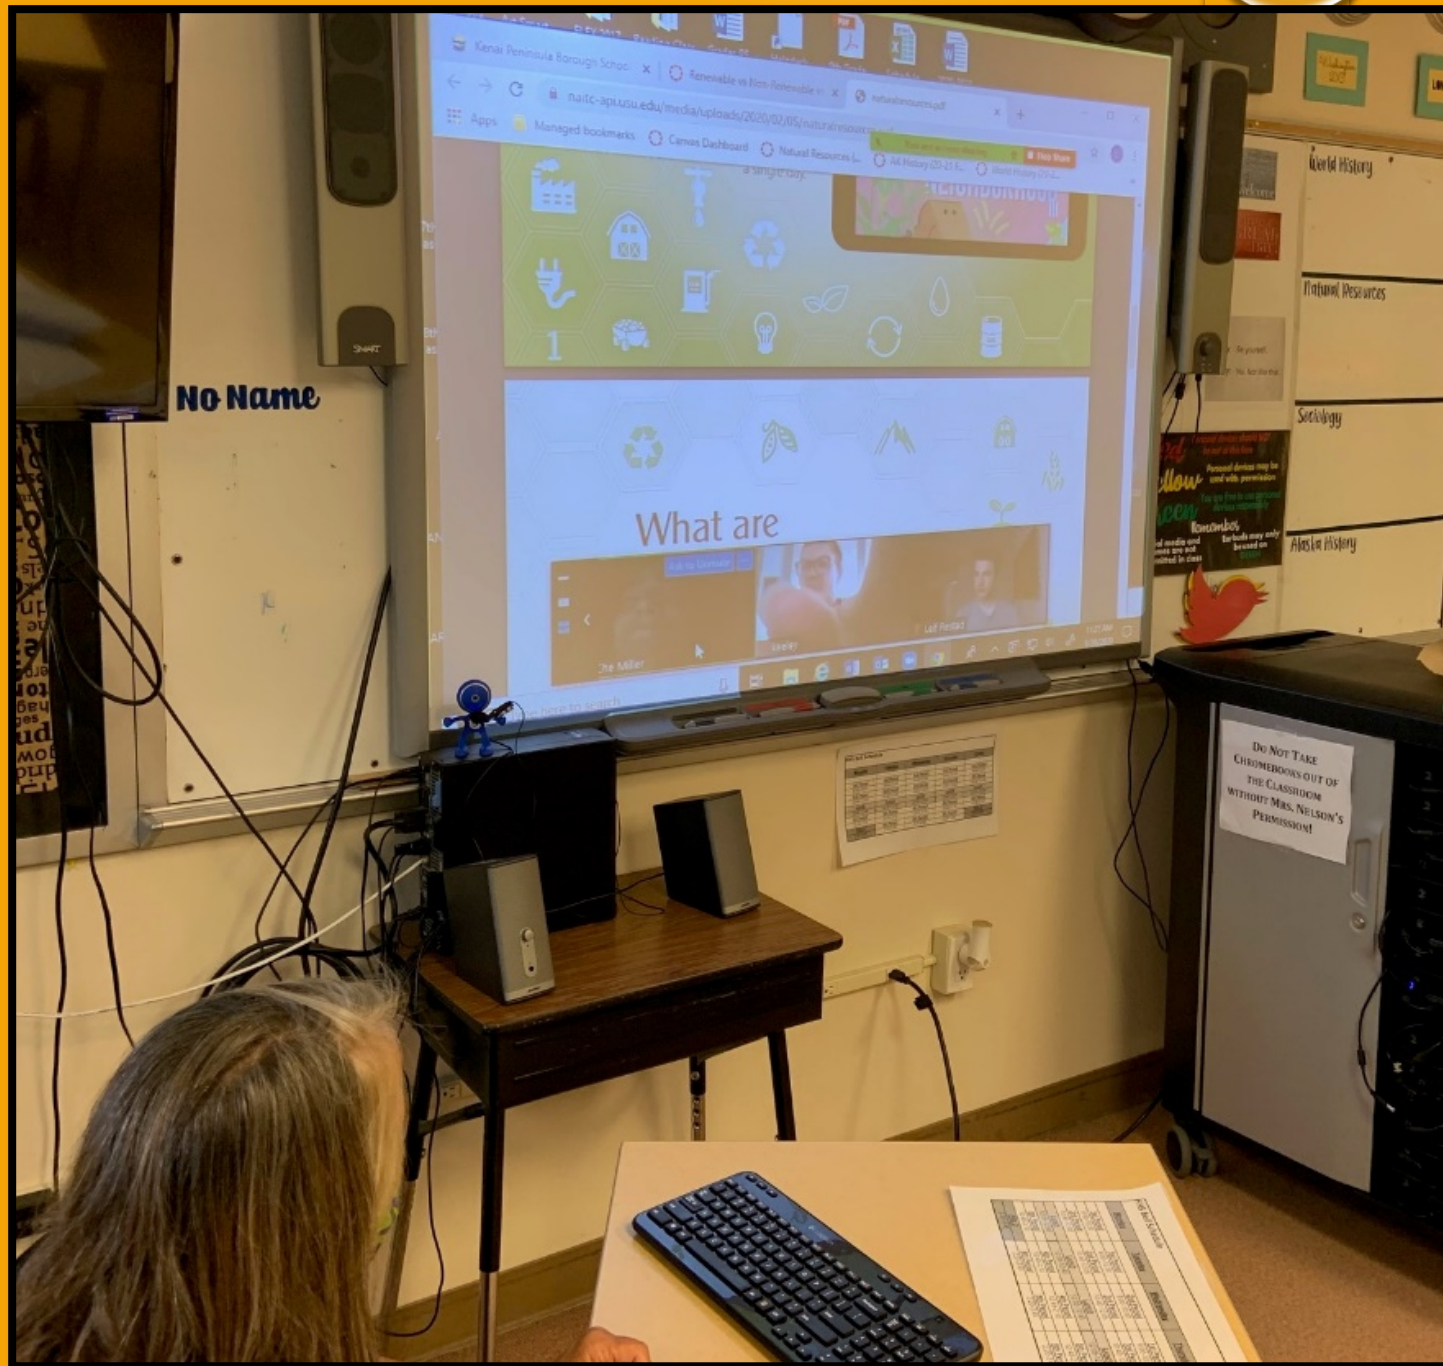

HHS By the Numbers—Fall 2020

★★★★★

To say that Vianne went above and beyond is an understatement. I came to her with a vague idea of my interests, and she gave them life. She asked for some pictures and replicated some of my books and even my white coat with such precision. Needless to say that I am in love with her work, and I will undoubtedly buy pieces from her again.
