Board Members,

I am writing to request a leave of absence from my teaching position at Homer Middle School for the Spring Semester 2021. I have been selected to participate in a Fulbright Distinguished Awards in Teaching Fellowship in Finland. I will be studying in Finland from January - June 2021. I will be working closely with Kari Dendurent, my principal, and Human Resources to ensure a smooth transition for my students. I fully intend to return to my teaching position at the start of the 2021-22 school year.

Sincerely,

A handwritten signature in black ink that reads "Jennifer Booz".
