Good afternoon Human resources,

I have been approached to feature in a documentary film with the legends of our village. This would mean, I would have to take a short leave of absence with out pay. with you your permission please and thank you. the following leave dates would be Nov 9th 2020, to Nov 23rd 11 school days. Also Dec 3rd to Dec 11th, 7 more school days. eventually, later down the line in the spring possibly few more days. I will work on when I know more. I am 100% committed to my job and to the school and don't want to lose my post permanently. Just leave for the dates requested. I thank you for your time and understanding.
