Kenai Peninsula Borough School Board,

My name is Kevin Seville and I am a Special Education Aide from the village of Nanwalek. I am writing this letter in the hopes that you would grant me the request of taking off the remaining work days of the 2020-2021 school year. I am struggling through some difficult personal reasons, and would greatly appreciate your consideration in this matter. If this leave is granted, I ask that it take effect November 2, 2020. Thank you for your consideration.

Sincerely,

Kevin Seville
