Board Members,

Due to the uncertain Covid situation in Europe and the reinstatement of restrictions in schools and universities, Fulbright Finland and IREX have decided to postpone my Fulbright Fellowship from Spring 2021 until August 2021 at the earliest. While I am disappointed, I am hopeful that a later date will allow for a more full experience abroad.

At this time, I do not have certain dates for my program so the best course of action is to cancel my leave of absence for the spring semester and reapply for leave when I know the dates.
I appreciate your understanding in this matter.

Sincerely,
