Dear Ms. Goniotakis,

Alaska Energy Authority (Authority) has received your signed application that illustrates your intent to meet the conditions set forth in the Request for Applications for the School Bus Replacement/Repower Program funded through the State of Alaska's Volkswagen Settlement Environmental Mitigation Trust.

The Authority has completed its review of the applications. We are pleased to inform you that the Kenai Peninsula Borough School District (KPBSD) has been approved for funding to replace the four school buses below with DEF ULSD buses:

Bus ID	Model Year	VIN Number	Annual Miles Traveled	Award Amount (not to exceed)
122	2000	4UZAAXBV61CH78059	15,920	\$145,000
118	1999	4UZ6CFAA2YCF99133	11,869	\$145,000
117	1999	4UZ6CFAA0YCF99132	11,471	\$145,000
121	2000	4UZAAXBV21CH78060	9,337	\$145,000

You will receive a grant agreement shortly.

Please contact the Authority if you have any questions.

Thank you for participating in the School Bus Replacement/Repower Program to reduce NOx emissions, improving air quality and community health.

Sincerely,
