The Kenai Peninsula Borough School District will empower all students to acquire the knowledge, skills, and insights necessary to live rewarding, productive lives, prepared to contribute to the global community. The KPBSD is comprised of diverse communities and is committed to being a district that is recognized for educational excellence and equity, providing a rigorous, innovative educational program that supports and challenges each student to achieve at a high level and graduate from high school prepared for the future.

The KPBSD believes that learning occurs when students are directly involved and invested in the discovery of their own knowledge as a partner with their teacher by engaging in meaningful learning experiences. This is facilitated through effective instruction. Effective instruction occurs through intentional planning, intentional teaching and intentional assessments to meet the individual learning needs and abilities of the student

The KPBSD Board recognizes its responsibility to set high expectations for each student to learn, achieve and fulfill his/her potential. In addition to providing a basic education program as prescribed by the State of Alaska Board of Education, the Board believes that the district's educational program must ensure that every student achieves high levels of success in a rigorous course of study that is designed to provide a skill set that will prepare our students for their future in a global setting.

In order to meet this vision the Board has established the following goals:

1. All students will graduate prepared for the future as high-achieving, creative thinking, life-long learners with the skills to be competitive in a constantly changing international environment. These students will possess:
 - a. Competencies in the use of current technology to access and demonstrate new knowledge and skills
