Re: Bond Reimbursement and Grant Review Committee

Dear Mr. Lyon,

Under the authority granted to me in AS 14.11.014(a) and 4 AAC 31.087(e), I hereby appoint you to serve on the department's Bond Reimbursement and Grant Review Committee for a four-year term of office under AS 14.11.014(a) and 4 AAC 31.087(c)(1), commencing on March 1, 2021, in the capacity of an individual that has experience in urban or rural school facilities management as required by AS 14.11.014(a)(2). This term expires on February 28, 2025.

I am looking forward to your participation on the committee and I appreciate your willingness to serve the State of Alaska in this capacity. I know your knowledge and expertise will bring value to the Committee as it continues to deal with issues that impact the quality of facilities provided to educate children. The new perspectives and ideas you bring will be an asset to the process of formulating responses to facilities issues and bring balance to needs across the state. It is through your effort, and the efforts of your fellow Committee members, that facilities issues can be resolved in a manner that supports quality education.

Your first meeting will take place by teleconference in mid-March; department staff will be in contact with you. Please contact Tim Mearig at 465-6906 if you have any questions regarding this appointment.

Sincerely,
