Section	0000 PHILOSOPHY-GOALS-OBJECTIVES-COMPREHENSIVE PLANS
Title	School Accountability/School Improvement
Code	BP 0520
Status	Under Review/Revision
Adopted	September 12, 2005
Last Revised	February 1, 2021

The School Board is committed to the successful performance of the District and its schools. The Superintendent shall implement requirements for schools that have not achieved adequate yearly progress as determined by the Department of Education and Early Development.

If any District school is identified for improvement, the Superintendent shall develop and implement a school improvement plan in accordance with federal and state law.
