

## Proposed changes for 2021-22 KPSAA Handbook As presented to the Board of Education:

### KPSAA Middle School Handbook

*This proposal seeks to increase assistant coaching stipends for team/staffing guidelines. Justification reveals the importance of recognizing the supervision of such large numbers lends to safety and liability factors. For example, track and field at Skyview has seen their program grow in excess of over 100 participants over the last three years.*
