Drone Camp

Student Comments about Drone Camp

More swim time

Thanks for this

Drone camp was great

Drone camp was great

More swim time.

This is the best camp ever

I loved this camp so much it was so much fun, keep up the great work

I love this camp so much!!!!

No more burritos please 😊

Most amazing camp ever

Thank you for the time and the fun activities that you gave us

Let high schoolers do this camp.....

Let us swim more for Wednesday and Friday.

AC in the dorms

More tennis/bike time

would've been appreciated. It was also sad that we didn't get to play dodgeball much the second time.

I marked tie diy a three because it is not my thing but is was so much fun at camp.

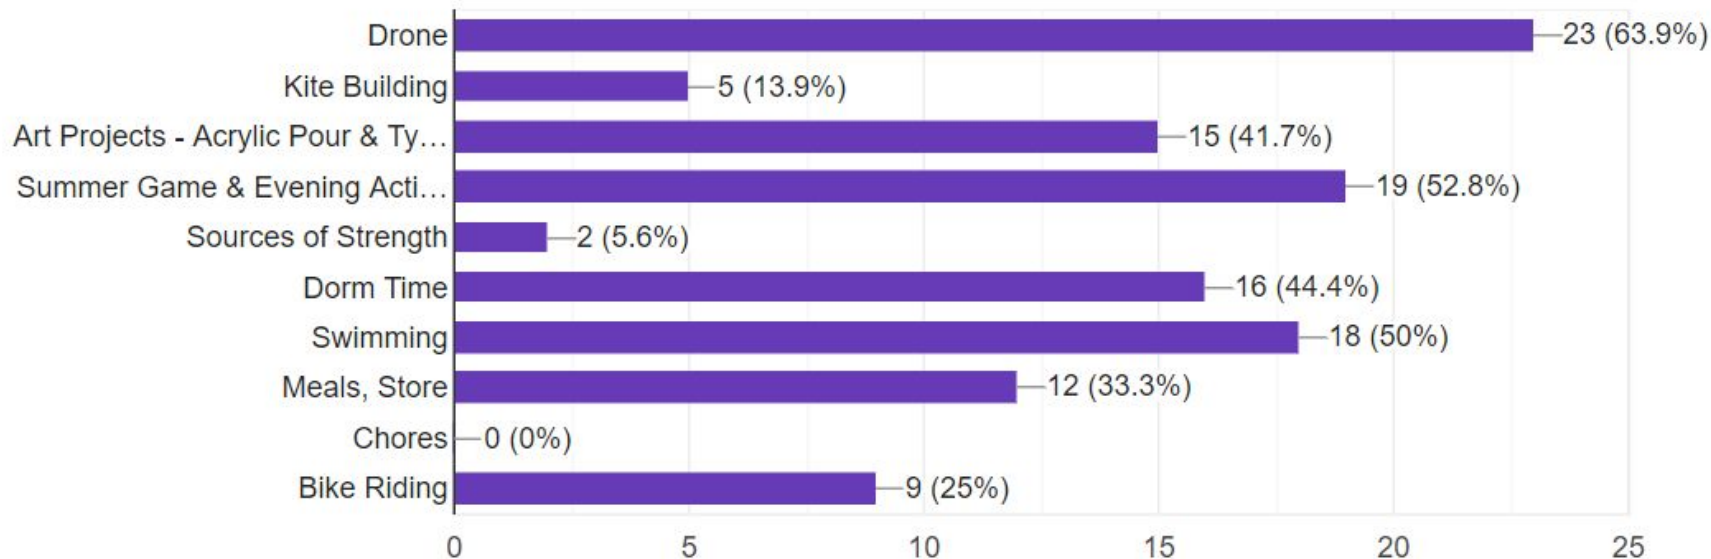

I loved it here

I had so much fun at this camp hope I see you next year.

Computer Science Camp

Student Comments About Computer Science Camp

It was super fun at this camp

I love this camp so so much thank you

It was good what more swimming

I really liked your camp please let me
back next year

This was the funnest camp I've ever
been to. 9.5/10. I had so much fun.

This is the best camp ever!!!!!!

Get more advanced with programming

Can there be more swimming
and camps

Thank you

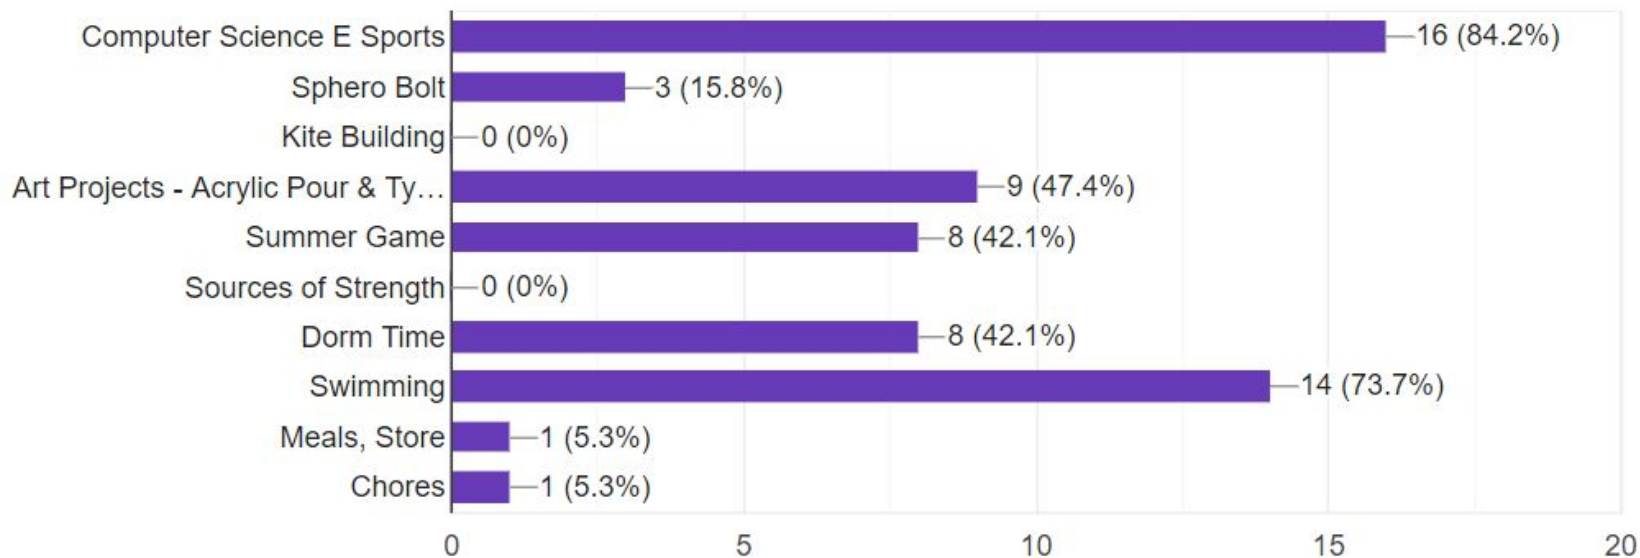

If you do another esport camp
you should have more time to
play and do tournaments.also
we needed to have more
Sphero time. :)

I like this camp, I would like to
come back again

Additional Benefits...

Developing skills in creativity, problem solving, and socialization.

Tech camps give kids a chance to have fun and get a leg up in their future in academics and life skills.

Kids build last friendships with students across the district. Many students gathered each other phone numbers before leaving camp.

Sleep away camps provide opportunities to be in a learning environment which challenges them to overcome their fears with dedication and perseverance utilizing newly acquired SOS skills.

Positive Friends, Mentors, Healthy Activities...

Camp fosters diversity...

Cultures, Community, Experiences, Interests...

Final Thoughts...

Students, Parents, and Community vendors were very grateful that KPBSD provided summer camps.

Continuing these summer camps will provide opportunities for students that may not otherwise be involved in traditional summer activities.

On behalf of ALL the students. Thank you for everything you did to support summer camps. They are all looking forward to next summer.

Staff are appreciative of the opportunity to mentor students from across the district and help them feel like they belong.
