Have to start somewhere

# Cool things in class

## ADVICE FROM A ROCK

**Cherish sedimental value.**

**Learn to rock 'n' roll.**

**Aspire to be in space.**

**Go with the flow.**

**Try to do the crater good.**

**The boulder you are the better.**

**Stay polished.**

**Go all ore nothing sometimes.**

**Keep your head high even at rock bottom.**

**Never give up on your coals.**

# What are Ninilchik grads up to?

- ▶ Vet school
- ▶ Architecture
- ▶ Armed Forces
- ▶ Nursing
- ▶ Russian Ice breaker
- ▶ Diesel mechanics

# ASAA

- ▶ Volleyball is starting up- excited to being able to travel this year.
- ▶ Basketball has moved to 2A for the next 3 years.

# Testing isn't everything but it helps drive instruction.

- If we are covering the standards and if kids and teachers are in the building, the test scores will be there. Intervention has increased this fall. We are experiencing the effects of students not receiving fulltime instruction.

MAPS- using scores to develop plans

AIMS- using scores to develop plans

PEAKS- 3 students scored perfect 600
