7 September, 2021

Board Members,

I am writing to request a leave of absence from my teaching position at Homer Middle School for the Spring Semester 2022. I was selected to participate in a Fulbright Distinguished Awards in Teaching Fellowship in Finland. While my original grant dates were last spring, Fulbright postponed our fellowships due to Covid. My new grant dates are from January - July 2022. I will be working closely with Meghan Redmond, my principal, and Human Resources to ensure a smooth transition for my students. I fully intend to return to my teaching position at the start of the 2022-23 school year.

Sincerely,

A handwritten signature in black ink that reads "Jennifer Booz".

Jennifer Booz
8th Science Teacher
Homer Middle School

Handwritten initials in black ink, appearing to be "J. Booz".
