Dear Dr. Ermold,

Though it is difficult to leave a school community and job that I love, after much consideration, I have decided to resign my teaching position with the Kenai Peninsula Borough School District effective the end of the 2016-17 school year.

It has been a delightful journey. Thank you for the years I was privileged to work with the staff and students of this school district.

Dear Mr. Kingsland:

I am writing to inform you that I will be resigning my teaching position at Wm. H. Seward Elementary School, effective at the end of the 2016-17 school year.

I have enjoyed my 16+ years at Seward Elementary, starting as a SPED aide, progressing to an ELL aide, and finally, attaining the position of classroom teacher for the past ten years. Seward El. has become a work-family throughout these sixteen years.

I have appreciated your support and guidance along the way. The Seward El. staff has also been a warm, welcoming and collaborative team to be a part of. And, of course, working with children to help them become eager learners and responsible citizens has made it all worthwhile. It is with mixed emotions that I resign from this position to follow other interests and callings.

Thanks for all you have done to make Seward El. a wonderful place to work!

Sincerely,

Katharine E. Glaser

Soldotna, AK 99669

Dear Mr. Graham,

I respectfully submit my resignation from my current position at Soldotna High School, as the Family & Consumer Sciences teacher. My last day of work will be May 25, 2017. I will be sure to follow the necessary protocol for leaving, and please let me know if there is anything additional I need to do.

I have enjoyed teaching at SoHi, like I have finally found a home. I have had much fulfillment in providing a quality learning environment and exciting projects for students from getting involved with Skills USA, coaching volleyball, helping with the basketball teams clock and book, taking over Supervision of the Sports Arena Concession stand and cooking 1000 cookies for a student activity. I feel I have given my students 100% of my knowledge and attention to help them to excel in their knowledge and understanding of these concepts.

I have truly enjoyed working alongside the other teachers here at SoHi.
