- Inclusion in this list means the group will not be charged room use fees for youth usage.
- The group shall still be required to submit proof of insurance. Custodial fees may be charged if the room use causes an increase in custodial costs.
- If one of these groups applies for adult usage, then normal building use fees will be applied.

**Non-Profit Organizations supporting recreational water activities and/or life, health and safety activities in and around water for training and/or certification purposes**

- **Inclusion in this list means the group will operate under an MOA with the KPBSD.**
- **The group shall still be required to submit proof of insurance. Custodial fees may be charged if the room use causes an increase in custodial costs.**
- **The group shall support recreational water activities and/or life/health and safety activities in and around water for training and/or certification purposes**
