Name Small Schools Committee

Public Content

Charge:

Due to the nature of small schools with unique locations and challenges, there is a particular importance to present/propose/produce innovative solutions to support these students in their education.

This committee will review and make recommendations to the board regarding measures that can benefit small schools and suggest ways to approach and overcome distinct/individual challenges.

Such recommendations would be made to ensure that small schools receive adequate staffing, opportunities for career development fitting for small school educators, ensuring student have reliable distance education programs in place, address the unique social needs of rural students and improve collaboration between the district and communities to share ideas to better support students.
