To Whom It May Concern,

Please accept this letter as a notice of resignation from my current teaching position at Nanwalek School, effective July 15, 2017. While I have sincere hopes of retaining a teaching position within the Kenai Peninsula Borough School District, I will no longer be able to return to Nanwalek next year.

Per previous discussions with our human resources department, I will maintain my status as a tenured employee requesting transfer until July 15, 2017. I will do my utmost to secure a contract within our wonderful school district at another site.

I am incredibly appreciative of my five years at Nanwalek School. Leaving the students I've built such meaningful connections with is a truly difficult decision. I have grown as both a professional and as a person while facing the many challenges of teaching multiple subjects across seven grade levels in a rural setting. A permanent home and a family of my own are personal goals that have spurred this tough decision to resign. I look forward to starting the next chapter of my life. I wholeheartedly hope that it still entails a teaching job in the KPBSD.

Sincerely,
Glen Fraser

To whom it may concern:

I am resigning my teaching position for the 1016-2017 school year. The past 15 years with the Kenai School District have been amazing. I appreciate all the support, opportunities and trainings I have received. My family will be moving to the lower 48 around the 4 corners area to be closer to family. This has been a difficult decision for me for I have loved the community I have taught in, my coworkers, and district personnel who have helped me along the way. Please accept this resignation.

RE: Resignation following the 2016-2017 school year

Dear Dr. Ermold,

This letter is to respectfully inform you of my intent to retire from my current position as K-5 teacher at Kachemak Selo School.

I want to express my deepest gratitude for the opportunity I have had to carry out the mission of KPBSD and deliver the best possible education to the students of Kachemak Selo. It has been a joy and an honor to be a part of this school and community for the past 25 years.

This historic letterhead represents my enduring commitment to the bilingual program and the very positive relationship between school and community. With artwork by a student, it also represents my former students who are now parents and how much a part of this community I have become.

I give up this position with mixed emotions and depleted energy reserves, but with a sense of unwavering commitment. I would love to work half-days, such as in a Title 1 position. This would lend stability during the upcoming teacher transition and provide a much better program in K-5 than an every-other-day Title 1 schedule. I look forward to discussing this with you if the proposal seems workable. Either way, thanks so much for the wonderful opportunity I have had to serve this community in such a meaningful way.

Sincerely,

Michele Stenger
