

# Jason Williams

K-12 Principal (Administrator)

## Leadership Statement:

I strive to be an educator that engages both students and staff with enriched educational opportunities. I intend to be a part of an inspirational school culture that exhibits respect, promotes a positive environment, engage students on a personal level, and provides equitable opportunities for all students, staff, community members and educational stakeholders. I intent to promote a championship mindset where all students are valued, enthused, and sets high goals. I will be an educational leader that is dedicated to ensuring the success of every student, every day, whatever it takes.
