Q2 What are the strengths of Moose Pass School?

Answered: 4 Skipped: 0

#	RESPONSES	DATE
1	My child's teacher and all staff truly know who she is. They understand not only her needs academically, but also what support she needs to grow socially. Previously my daughter attended a large public school, and as she is well behaved and doesn't need extra attention, it felt as if she were a non entity in the classroom and as if the teacher did not have a grasp of who my child was as a human. In a small school setting, with less students to divide the teacher's attention, there is the opportunity for the staff to truly know each student.	4/28/2023 12:49 PM
2	We have very involved parents and community members. Everyone feels like family and supports one another. Students get individualized instruction and lots of attention from the staff. No students feel lost or left out. All students participate in numerous activities (art, Lego Robotics, school plays and performances, field trips, etc.)	4/27/2023 4:25 PM
3	Meeting the individual needs of the students. Providing lots of fun outdoor activities.	4/25/2023 8:09 PM
4	Amazing staff (including itinerant)that work together to ensure that students receive a great education and amazing extra-curricular opportunities	4/25/2023 3:24 PM

Q3 What are areas need assistance, or could be done better?

Answered: 4 Skipped: 0

#	RESPONSES	DATE
1	It sometimes feels as if we are overlooked. Currently our teacher drives from Hope, our Instructional Aid drives from Cooper Landing, and our principal drives from Seward. We have not had a lunch program in years due to lack of employees. When there are known job openings at our school, it does not feel that the district does anything but the bare minimum to attempt to fill the vacancy. The jobs should be posted as soon as possible with incentives for the positions when applicants are driving from another community to fill a need at our school.	4/28/2023 12:49 PM
2	We would like to have food service again. If that is not possible, it would be nice to have the district provide food/snacks for kids to have when they do not have enough. There are families that really need assistance. The numbers of students keeps increasing- we really need another staff member. We really should have two certified teachers so that when I have to be out of the building, there would still be a certified staff member on site.	4/27/2023 4:25 PM
3	Not sure	4/25/2023 8:09 PM
4	There are few subs especially certified teacher subs. We cannot have a second certified teacher until our enrollment is at 30 students according to the staffing formula.	4/25/2023 3:24 PM

Q4 What community partnerships does Moose Pass have?

Answered: 4 Skipped: 0

#	RESPONSES	DATE
1	Moose Pass Sportsmen's Club, Seward Community Foundation, KMTA, Artists in Schools program and possibly Seward Nordic Ski Club next year.	4/28/2023 12:49 PM
2	We have community members that come to the school to do Art and Lego Robotics (we have won awards this year in both activities for competitions we entered). We had KMTA do lessons (Snow School) for several weeks. The Moose Pass Library is starting a homework club after school. Moose Pass Solstice organizers asked the students to help upgrade the games for kids this year. The Artist in Residency program comes to the school to do unique activities (we did puppet making and drama this year and leather work last year).	4/27/2023 4:25 PM
3	Outdoor school.	4/25/2023 8:09 PM
4	Sportsmen's Club donation for downhill skiing program. KMTA snow school. Artist in residence program.	4/25/2023 3:24 PM

Q5 Any additional comments or input regarding Moose Pass School?

Answered: 4 Skipped: 0

#	RESPONSES	DATE
1	We love our small school, and it is absolutely serving a need in our community. Many residents of Moose Pass feel that the school is the cornerstone of our community.	4/28/2023 12:49 PM
2	I would like to see the small schools get together once or twice a year for different educational and/or physical activities. in the past I have hosted science fairs, soccer games, and a wax museum (biography project). I have attended fish dissections and astronomy activities at Cooper Landing in the past. Moose Pass, Cooper Landing, and Hope School have a field day and barbeque at the end of the year. Maybe other schools could come, too. It would be nice to have a meeting with the small schools at the beginning of the year so we can look at the calendar and plan a few things.	4/27/2023 4:25 PM
3	We love having a kid attending here. Our student loves it and learns so much while also having a lot of fun.	4/25/2023 8:09 PM
4	The students here get personalized learning and a staff who knows and understands their individual needs. Staff can sometimes put pressure on themselves to never need a day off due to the lack of subs.	4/25/2023 3:24 PM
