In governing the district, the Board has pledged to consider the will and needs of the community.

The District's policy manual is developed, distributed and maintained for the purpose of communicating to interested parties the policies, regulations and bylaws within which our schools will operate.

The Board ensures that the community and District employees have access to the policy manual by maintaining a public copy online on the District website. The Board welcomes suggestions from the public regarding its adopted policies and regulations. A public copy of the manual will be available online.

The community and District employees shall have access to the policy manual on line via the District website: <http://www.kpbsd.k12.ak.us/board.aspx?id=368>.

As necessary, the District shall will develop or revise policies and regulations on the website in order to reflect new legislation and changing community views.
