

## Professional Objective

I am driven as an educational leader to pursue excellence through hard work, wisdom and open-minded learning.

## Professional Strengths

- Creating and maintaining a strong school climate focused on safety, learning and citizenship
- Support and supervise teachers in maintaining high standards for student learning through professional development, collaboration, evaluation and consistent feedback.
- Provide instructional leadership through promoting a transparent continuous improvement model that seeks excellence and passion in teaching youth.
- Finding and capitalizing on opportunities to involve parents in their child's learning process
- Supporting the needs of all students through high expectations with a framework that includes positive reinforcement, strong relationships, agile interventions
- Creating and maintaining budgets focused on identified district and building priorities for student success
- Positively collaborating with District administrators in identifying and supporting District-wide needs
- Identifying, hiring and empowering the highest quality staff and create a culture of high employment satisfaction and service
