2022-Present: Member of the Board of Directors for  
the Kachemak Swim Club

2021 - Present: This year I am taking the lead in our  
school's Peer Observation Program. I am  
organizing our observations and analyzing staff  
feedback; making appropriate changes resulting in  
these observations being successful.

2021-2022: Principal Intern: WHE - Worked closely  
with WHE's Leadership Team, staff, and  
administration to continue building a collaborative  
school culture in which teachers and students are  
expert learners.

2020-2022: Interventionist: organize and lead  
quarterly Data Day meetings and bimonthly I-Team  
meetings.

2020-2021: Leadership Team:

Voznesenka School - Assisted in writing our  
school's SMART Goals and our COVID Mitigation  
Plan.

2020 - 2021: Personalized Learning Champ: Share  
strategies with teachers to encourage the use of  
personalized learning.

2019 - 2020 & 2021-2022: Leadership Team: West  
Homer Elementary - Set and measured school-wide  
SMART Goals.

2019: Science Palooza - I worked with a committee of  
teachers organizing a science event in which  
students and parents came into the school and  
tested their scientific skills.

2016 & 2019 Took the lead in developing our school's  
Writing on the Walls: a writer's fair in which student  
writing is displayed at the school as a First Friday  
Event.

2018-2022 - Math Curriculum Committee: Worked  
with a cohort of teachers to determine priority  
standards and to develop a pacing guide for K-5  
Math.

2012-2015: Teachers Observing Teachers - Part of a  
cohort group of educators that observed each  
other to better our practice
