The implementation of policies is an administrative task to be performed by the Superintendent **or designee**, who **shall will** be held responsible for the effective administration and supervision of the entire **school system District**.

The Superintendent **or designee shall will** develop administrative regulations when required by law or Board policy or when, in his/her judgment, Board endorsement of District procedures is desired.

Administrative regulations **shall will** be consistent with Board policies, education-related laws, negotiated employee contracts, and rules and regulations of the State Board of Education. The Board **shall will** review and approve new administrative regulations and require the revision of any regulations which it finds inconsistent with Board policy.

Administrative regulations **shall will** be included in the District's on-line policy manual. Administrative regulations appear on the Consent Agenda of the meeting agenda for one reading and action by the Board.

Exhibit pages are intended to be easily updated. They are provided as information items to Board members but are not subject to approval.
