

Kenai Peninsula Borough School District 2023-2024 Board of Education Goals

The KPBSD Board of Education Goals are intended to support the District and the District Strategic Plan.

GOAL 1. ENSURE SAFETY AND WELL-BEING OF STUDENTS

- Review and strengthen policies relating to school safety and student well-being.
- Provide opportunities for agencies to present on topics relevant to the safety and well-being of students.
- Engage with state and borough officials to collaboratively create school facilities that are safe places, well-maintained, and accessible.

GOAL 2. ENGAGE WITH THE PUBLIC

- Attend legislative, borough, city, and site council meetings.
- Gather information on the specific needs of each community.
- Strengthen relationships with site councils, communities, businesses, and Tribal members.
- Create opportunities for public collaboration on educational issues and policies currently being reviewed.
- Review the process of policy revision and the education funding process/timeline for the public at each Board business meeting.

GOAL 3. PROACTIVELY ADVOCATE FOR PREDICTABLE AND ADEQUATE FUNDING

- Invite state legislators to Board work sessions.
- Collaborate with school board members from across the state to ensure consistency in advocacy.
- Increase awareness of the budget process, funding from the state, and how to advocate.
- Design and implement a public education marketing campaign that provides timely and accurate information.
