# Tebughna School 2023- 2024 SMART Goals

---

Literacy growth goal: By May 2024, 75% of Kindergarten and First grade students will score at low risk as evidenced by the 2023-24 KPBSD mCLASS early literacy assessment. By May 2024, 65% of 3rd- 11th grade students will meet or exceed the Reading MAP RIT growth projection from Fall 2023- Spring 2024.

SEL Smart goal: By May 2024, Tebughna School will collectively earn 300 Tebughna Chief feathers that showcase students establishing and maintaining positive relationships by respecting others, practicing social skills, and making responsible choices.

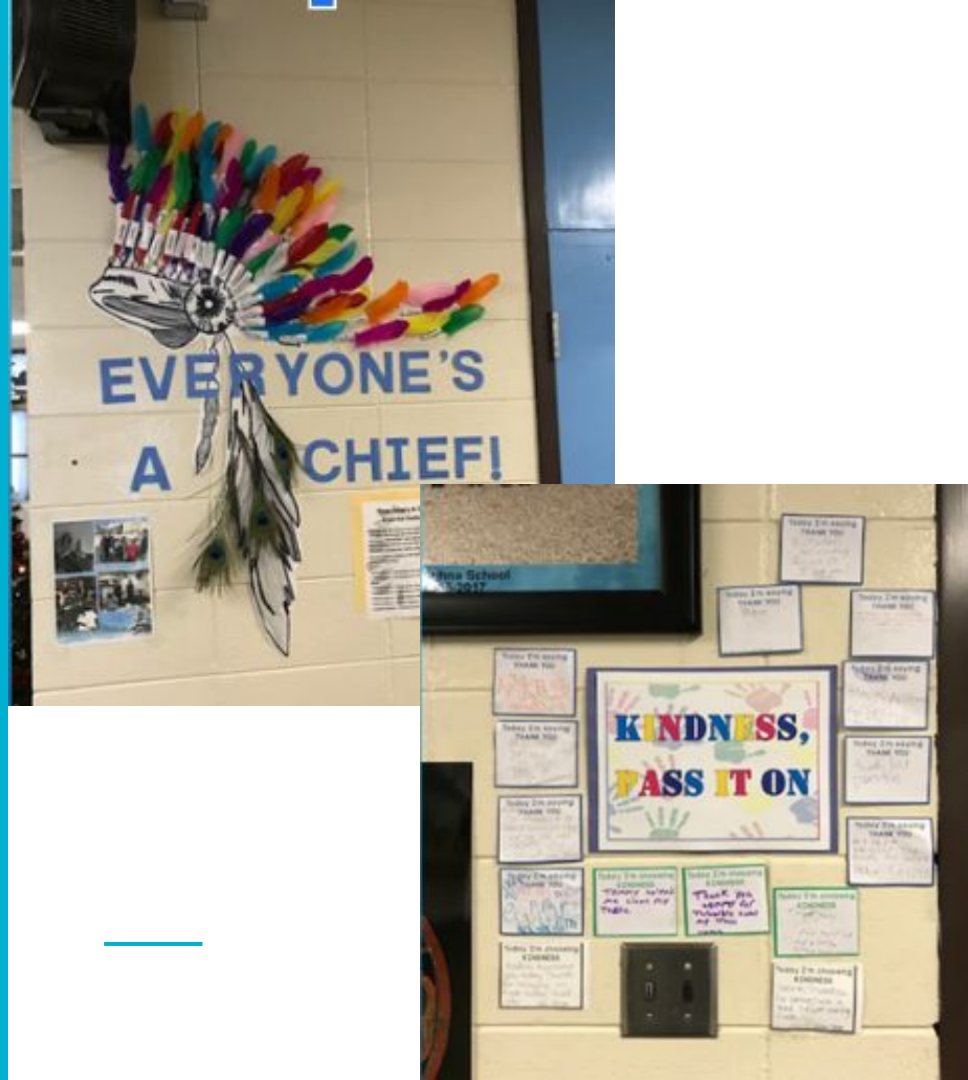

Professional Development: During the 2023- 2024 school year, our Tebughna School professional development goal will be to collaborate with the intention of building capacity of high quality instructional practice to continuously improve K-12 student learning with equity in instruction and social emotional wellness curriculum.
