Title	Suspension of Policies, Bylaws, Administrative Regulations
Code	BB 9314
Status	First Reading
Adopted	November 18, 2002
Last Reviewed	June 4, 2018

Policies, bylaws and administrative regulations may be suspended for a specific purpose and limited time by majority vote. Suspension of any policy, bylaw or administrative regulation will undergo the following consideration:

1. Policies, bylaws or administrative regulations will be reviewed on their own merits rather than the circumstances of the moment.
2. The Board will decide whether the policy, bylaw or administrative regulation still reflects the intent of the Board and the law. If so, the suspension will be denied and the policy, bylaw or administrative regulation reaffirmed in the minutes.

Superintendent or Designee's Authority

The Superintendent or designee may suspend all or part of any policy, bylaw or administrative regulation when it conflicts with state or federal law or regulations. The Superintendent or designee will report the suspension to the Board. Suspension will be valid until the policy, bylaw or administrative regulation is rescinded, amended or reaffirmed.
