

Paul Banks School Board Presentation

March 4, 2024

Paul Banks Elementary Highlights

Our Mission & Vision

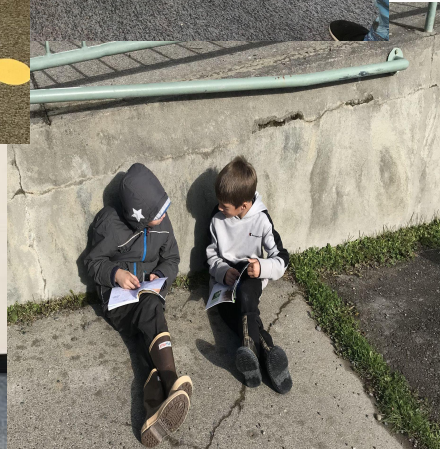

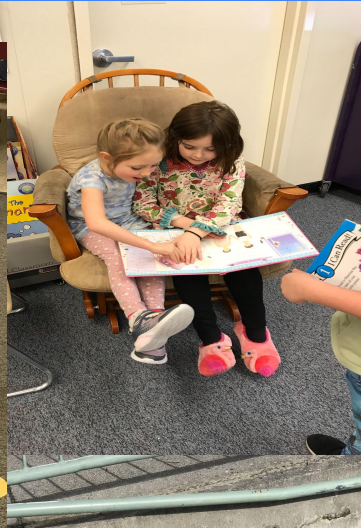

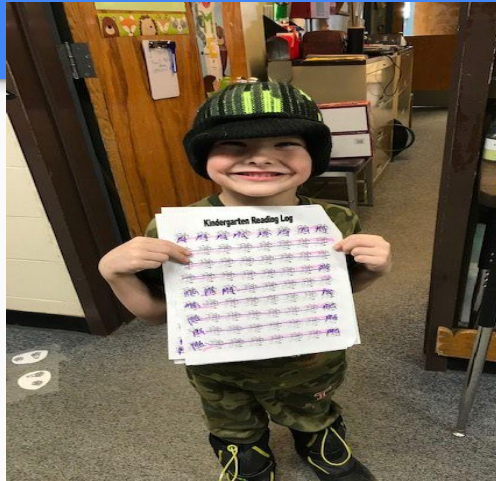

Paul Banks Mission Statement:

In partnership with parents and community, Paul Banks Elementary fosters a positive school climate. We commit to our early intervention and enrichment model of education, which builds a meaningful foundation of academic and life skills for every student.

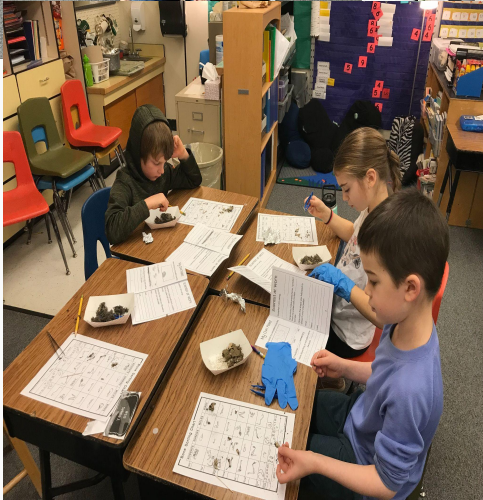

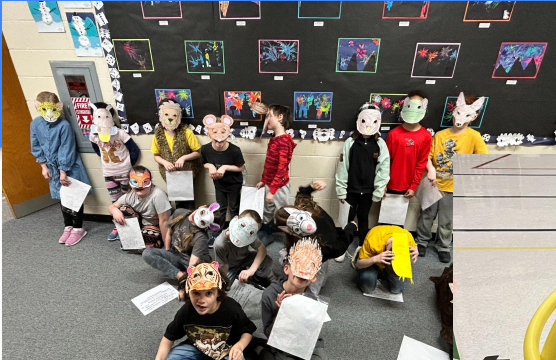

Paul Banks Vision Statement:

Paul Banks Elementary students will have strong academic and problem solving skills that leads to well-balanced children who are working at their full potential. They will leave as confident, active learners who show kindness and help others.
