Middle School Principals will need to do an End of Season Analysis form which will be submitted to KPSAA at the end of every sport season. This will determine coaching allocations for the following year.

Staffing formula is not applicable to Cooper Landing, Hope, Moose Pass, Port Graham, Nanwalek, Razdolna, Susan B English, Nikolaevsk, Chapman, Ninilchik and Voznesenka.

Schools wishing to field multiple teams may make a request to the KPSAA Board for coaching allocations.
