

## **KPBSD Four-Day School Week Interest Survey for Students (Grades 6-12)**

**Dear KPBSD Students (Grades 6-12),**

### **Purpose of this Survey:**

**Have you ever thought about what school might be like if you had a longer weekend? The Kenai Peninsula Borough School District is considering a four-day school week, and we want to know what YOU think.**

**This change could mean longer school days but might also give you more time for activities, rest, or family. No changes have been decided yet, so your honest feedback is important to help us understand how this might work for students like you.**

**Your responses are anonymous and will only be used to help the district make decisions.**

**Thank you for your participation!**
