Christine Ermold, Director of Human Resources
Kenai Peninsula Borough School District
148 North Binkley St.
Soldotna, AK 99669

Dear Dr. Ermold,

I regretfully inform you that I will be unable to complete my contractual obligations for the 2017-2018 school year due to extenuating circumstances.

For multiple years, my husband worked a rotation two-and-two schedule. In the last six months, his schedule was adjusted to a two-and-one resulting in familial strain and difficulty for our three young children and myself. He has regularly explored local opportunities for multiple years without success. After recently losing his job, he extensively explored local opportunities and applied for various positions. After multiple applications and meetings, we have determined that he has exhausted his career options on the Peninsula and will be unable to continue his career locally. He has been extended a career opportunity in Michigan. For the wellness of our family, we are planning to move.

Per the contract, I am requesting your consideration of my resignation request and mutual, written consent regarding my resignation. I have thoroughly enjoyed my experience as an educator for the KPBSD and thank you for allowing me the opportunity to serve your students.

Sincerely,

Renee Christensen

TO: Dave Jones, Assistant Superintendent
FROM: Julie Cisco

Please accept this as my notice of resignation from the Kenai Peninsula Borough School District effective July 31, 2017. I have accepted the position of Regional Operations Manager for Apple Bus Company and look forward to working with you in that capacity.

I have learned a tremendous amount in seven years in the public sector, much of it from you. For that I thank you, as well as for the opportunities you made possible for me.

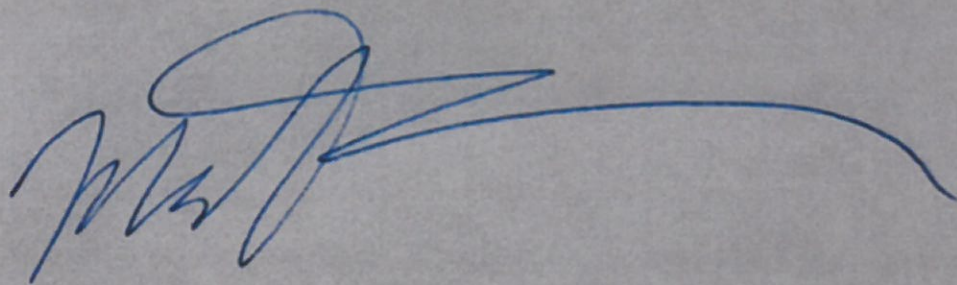

I will assist in transition to the best of my abilities, even beyond July 31, and will continue to be available at any time for questions.

Thank you,

I am resigning
from KPBSD.

To Whom It May Concern:

I am writing to inform you that I am formally resigning my position as the 4/5/6th grade teacher at the Ninilchik School for the upcoming 2017-2018 school year. After many heartfelt discussions with my family, I will be seeking new opportunities in Oregon in order to be closer to my daughters. Abbe and Ellie are both in high school now and I'll only have a couple more years until they are in college and out in the real world. As much as I love living and working here, I can not pass up the chance to be closer to them. I greatly cherish and appreciate all the experience and memories I have gained here on the Kenai Peninsula. I respectfully request your approval of my resignation. Please let me know if there is anything else further I can help with during this transition.

Sincerely,

 06/28/2017
