

# Tustumena Lynx

## Fact Sheet

<b>Overview</b>	Home of the Lynx Kasilof, AK Rural area, surrounded by lakes, river, and mountains			
<b>School Goals</b>	1. By May 2026, 70 percent of 3rd, 4th, 5th, and 6th-grade students will make annual growth in Reading as measured by the MAP Growth assessment. By May 2026, 75 percent of 1st and 2nd-grade students will score above the 25th percentile on the mCLASS ORF assessment. By May of 2026, 75 percent of Kindergarten students will score above the 25th percentile on the mCLASS Letter Sounds (NWF-CLS) assessment.	2. By the end of the 2025-2026 school year, Tustumena Elementary will ensure 100% of core subject units (Reading, Math, Science) include at least two documented differentiated instructional strategies and one meaningful experiential learning opportunity that utilizes the school's local ecology.	3. To effectively support the increased enrollment of intensive needs students for the 2025-2026 school year, Tustumena Elementary will achieve two key outcomes by August 2026: (1) Secure and onboard 100% of newly needed Intensive Needs staffing positions; and (2) Ensure 100% of all relevant instructional staff complete all specialized training modules, especially those on differentiated instruction and inclusion strategies.
