Request: Leave of Absence

To Whom It May Concern,

I am writing to formally request a one-year leave of absence from my position with the Kenai Peninsula Borough School District, beginning with the 2026–2027 school year. After careful consideration, I believe that stepping away for this period will allow me the necessary time to focus on professional and personal matters that require dedicated attention.

I want to emphasize that this request is made in good faith and with respect for the district's processes and planning needs. My intention is to ensure that KPBSD has ample time to prepare for staffing and scheduling for the upcoming school year. I remain committed to supporting a smooth transition in any way I am able prior to my leave.

Thank you for your consideration of this request. Please let me know if further information or documentation is required. I appreciate the district's time and understanding.

Sincerely,
Casey Yordy
