Section	4000 PERSONNEL
Title	Transfer/Reassignment
Code	BP 4314
Status	Active
Adopted	February 7, 2005

The Superintendent or designee will assess the needs of the District and assign management personnel to positions which will meet those needs.

**Voluntary Change of Assignment**

In order to promote administrative professional growth and career development, broaden management background, and share administrative and personnel skills within the District, the Board permits management personnel at all levels to apply for transfers and reassignments.

**Involuntary Reassignment of Certificated Administrators**

Involuntary reassignment may be initiated upon the recommendation of the Superintendent or designee in the best interests of the District.
